Mr. Lieberman,

For clarification, you are consenting to an extension of the time limit from August 27, 2019 to November 21, 2019. Is this correct?

Rita

Dear Committee Members,

I am the owner representative for the above addresses. Our project is seeking approval under the above case numbers.

On September 13, 2018 the City Planning Commission adopted the Mitigated Negative Declaration, Approved and Recommended that City Council adopt the General Plan Amendment, Vesting Zone Change and Site Plan Review.

After consultations with the Department of City Planning it has been determined that more time is required for review of the Mitigated Negative Declaration. We therefore request a continuance until a future date.

We agree to waive all applicable time periods under LAMC Section 12.32 within which the City Council must act prior to November 21, 2019.

Thank you for your consideration.

Sincerely
