Subject: Supporting Planning & Land Use Management Motion 140518  
To: adam.lid@lacity.org

Hello,

I am a resident of Laurel Canyon, and am writing in support of Council Motion 1406518 to prepare and present an ordinance to create a Wildlife Corridor in the eastern Santa Monica Mountains area. We have a wonderful opportunity to build an area of pastoral flora and fauna in the heart of this city unlike any other major metropolis, and in pursuit of that, our wildlife needs access and protection.

I would welcome your support of this Motion.
