Comments for Public Posting: Westwood is a major employment center. Far fewer people live in Westwood than work in the area. Restaurants and stores in the area rely on lunchtime business from nearby office workers. At night, there are relatively few nearby residents to shop and dine in these spaces. Westwood Village businesses need the greater evening foot traffic that would come with a residential building boom in the area. Please re-zone the area. Remove single family exclusive zoning near Westwood. And allow for much denser floor area ratios near Westwood.
