RE: CF 16-0749 (CD 11)

Dear Councilmember Bonin and other City leaders,

I know this is going to fall on deaf ears, but I still must urge you to reconsider what this BID will mean. It outsources police work, handing it off to a private security force, which is the BID's major function according to its charter. This will reduce the City's accountability, allowing plausible deniability for actions the City and its police are prohibited from doing by Court orders and settlements. Perhaps it should be called a "Carol Sobel Workaround District."

This not a classic BID. It is a hybrid, a public/private partnership, since it is subsidized by the City of Los Angeles, which is not a business, and is specifically intended to undertake services that the City is legally bound to provide the community. These are not special services needed by businesses, nor is the BID set up to serve the entire business community within the district. Instead, the BID is putting the landowners in charge of major aspects of law enforcement. Their interests are not necessarily the interests of the business owners, most of whom are tenants, and they certainly don't represent the community at large.

Is the City going to vote its stake in the BID, or are you simply handing out money and washing your hands of how it's to be used? Either way is problematic. If you stay involved, you are essentially executing public policy behind closed doors as part of an unelected group whose voting rights are determined by how much wealth they hold in land. If you are simply handing over money and responsibility to a privately operated organization of wealthy landowners, have you seen the bylaws that govern that organization's decision-making process? If you still have not, then voting for this BID is a total abdication of your responsibility to govern the city.

So let's be clear: you are deciding whether to empower an anti-democratic, wealth-driven, closed-door instrument of governance instead of living up to the City's responsibilities. And in order to accomplish this, the BID is tortuously gerrymandered.

The icing on the cake is that after the failure to follow the law's requirement for public participation in the recent hearing on this BID, the de novo hearing has been set for election day. With all the talk nationally about voter suppression, I would hope Democratic officeholders would do what they could to promote public participation. Please reschedule to a day when members of the public are more likely to be able to attend and make their mandated comments.

This BID is anti-democratic, irresponsible, and unaccountable. Please vote against it.

Third debate brings abortion to the fore

During the third presidential debate, we witnessed a historic first. Unlike previous Democratic candidates, Hillary Clinton made no effort to sugarcoat her support for abortion availability. Instead, Clinton clearly expressed her belief that abortion is a positive good, and that she will do all in her power not only to expand the practice, but also entrench it through Supreme Court appointments.

Noticed how Donald Trump refused to answer "yes" when asked to say if he would overturn "Roe v. Wade" and that it would be up to the states? That's because Trump is probably for abortions.

Most conservatives don't know that Trump is really "pro-choice" when it comes to pregnancies.

Milo Bendech

4 Babies

Clinton's unprecedented frankness reflects a calculation that a majority of American voters either agree with her or just don't care. A vote for Clinton suggests that you agree with her or at least that you don't care enough about those babies to let it affect your vote. And if you vote for a third-party candidate, your vote suggests that you care more about your own self-image.

What Hillary Clinton said about Romania not allowing abortion is misleading. My ex-wife had an abortion in Romania 22 years ago and it was legal to do so. Such a shame to use this argument about old abortion laws in Romania.

Bill Barr

Our descendants will look on our treatment of unborn babies the way we now look at slavery.

Trump keeps alienating the people he needs to win. He's lost the Hispanic vote, the African-American vote, the Asian vote, the Jewish vote and now the pro-choice-female vote. The only question left is, how bad will his defeat be? Half of the Republican Party got us in the mess; they need to leave and start their own party.

Letter: Greetings,

RE: CF 16-0749(CD11) - NO B.I.D. FOR VENICE, CA

7
I am writing to oppose the establishment of a Business Improvement District in Venice. As a longtime stakeholder of Venice, I am concerned about both the Business Improvement District (BID) process and potential implementation.

I oppose for many reasons, including but not limited to:

1. The process for establishing the BID has not been public or transparent. It has not appeared on a Neighborhood Council agenda for comment or approval, and has only been on one Neighborhood Council committee agenda.
2. Very little detail or documents about the potential Venice BID have been made public.
3. Business Improvement Districts in the City of Los Angeles, and particularly their private security forces, have a history of hostility toward homeless and low-income residents resulting in several lawsuits since their inception in the late 1990s regarding unconstitutional practices.
4. Business Improvement Districts are a form of privatization that harms those that don't own property and limits democratic control over resources.
5. Business Improvement District assessments are not feasible for all businesses or property owners to pay, particularly non-profits and small business owners.
6. The founding premise for the Business Improvement District is at fault. It is claimed that a BID is needed because the City of Los Angeles is not providing the proper public services. While there is accuracy in the fact that the city is not providing services, the solution is not privatization. I vehemently oppose any

privatization of our public spaces and services. The city is responsible for providing the necessary budget to provide these services.

7. Currently, since 2011, global technology companies, such as Google and Snapchat, some of the richest companies on this planet, have enjoyed an 80% Tax Break – our money – taken out of our revenue stream – which isn't and should be invested into our public services. As a result of this Tax Break, "Championed" by Councilman Mike Bonin, the City of Los Angeles has lost Billions of Dollars in income. By making these companies pay their fair share, we will be able to properly fund our needed public services.

8. In 1904, Abbot Kinney deeded Ocean Front Walk to be a public park in perpetuity, which also included sharp restrictions on commerce; therefore the city has no authority to approve a Business Improvement District on this section of Venice.

For these and other reasons, we urge that any proposal for a BID in Venice be denied. Additionally, all documents regarding any plans to date for a BID should be released to the public.

Barbara Peck	Venice, CA	2016-07-29	A BID is just plain BAD - however you slice it! More restrictions, more surveillance, more brutality towards the homeless, more money from tax-payers' pockets, etc., etc., etc. Take your BID and BiN it!!!!
Arthur Max	Venice, CA	2016-07-29	B.I.D. is completely inappropriate to the scale and character of this community. It should be rejected.
sylvia aroth	venice, CA	2016-07-29	No to changing Venice' culture and character! No to taxation without representation!
Jette Sorensen	Santa Monica, CA	2016-07-29	Don't ruin Venice!
Deborah Lashever	Venice, CA	2016-07-29	Abbot Kinney created Venice for The People, not wealthy business owners.
Linda Lucks	Venice, CA	2016-07-29	A BID is. A rally bad idea for many reasons, not least of which is that the adjacent property owners on the walk streets are NOT given a vote. They are excluded!
David Ewing	Venice, CA	2016-07-29	This is an attempt to privatize public space and municipal responsibilities. We've seen BID abuse in Hollywood and downtown. Let's not repeat their mistakes.
Lydia Ponce	Venice, CA	2016-07-29	NO!
Frank Lutz	Venice, CA	2016-07-29	This proposed BID will be run by a public-private partnership which will receive funding from the City estimated to include about \$450,000 from the General Fund, to run the proposed 'clean and safe' services. There appears to be little accountability and oversight built into this process. The assessments on the owners (don't call it a tax) will filter into the coffers of the partnership. We are talking about millions of dollars. Property owners who vote for the BID, will have no say in what goes on with this entity unless they somehow get on its board. Fat Chance! The gerrymandered district includes a huge amount of city-owned property. It is estimated that the assessment from city property will comprise about 25% of assessment monies collected and, in turn, the managers of city land will have 25% of the vote for or against a BID. You already know how the city will vote on this. The deck is stacked in favor of a 'yes' vote for a BID. This new group will create its own quasi police force complete with batons, pepper spray and uniforms to keep 'order.'
Jim SmithJimS	Venice, CA	2016-07-29	A "Business Improvement District" in Venice would work against the best interests of our city which is dedicated to the arts, leisure and recreation.
Miguel Bravo	Venice, CA	2016-07-29	BIDs only reinforce policies that give way to gentrification, displacement, and criminalization. Key creators of this BID are currently are facing charges from the City Attorney for displacement of residents. Too many wrongs about this BID! Lack of transparency and community outreach as well!
jataun valentine	venice, CA	2016-07-29	Not fair to the community.
judith scott	venice, CA	2016-07-30	god. this sounds awfully stupid.
Noel Gould	San Pedro, CA	2016-07-30	This is another strategic move by the development community to further gentrify Venice, and it's the pet project of our money chasing councilman Mike Bonin. This is the LAST thing Venice needs!
Rachel Rai	Venice, CA	2016-07-30	Preserve our Historic Venice Heritage!!! Our historic neighborhood is disappearing before our very eyes due to outside real estate corporations. Locals only!!! Let the real residents of Venice make the decisions.
Than Silverlight	Lancaster, CA	2016-07-30	I lived for many years on ocean and rose.

Fred Dewey	Santa Monica, CA	2016-07-30	This is yet another move by the political and economic establishment to covertly advance their power and wealth, using Venice's resources and vitality to over-rule public process and public space. The establishment wants to neuter the neighborhood council and other public forums, and will work tirelessly to do so. Of course this has advanced secretly. The politicians feel entitled to their privileges. This is one more way to protect themselves and their power.
Fred Dewey	Santa Monica, CA	2016-07-30	The establishment wants to extend and expand covert rule, and the politicians will advance and protect anything for that end. This BID is an attempt to outmaneuver and neuter the neighborhood councils, and other public forums and groups, thereby advancing the the power and wealth of the few. It is an outrage against the right of the people to an open and public form of government.
ruth boudreaux	nevada city, CA	2016-07-30	Venice should remain a community run by its own citizens not big companies.

Naomi Nightingale	Venice, CA	2016-07-30	I am against privatization of Venice beach of any part of it because it's just another way of excluding a segment of our population that some feel "unworthy" and to set aside exclusive segments for those who want control, authority and privileged access.

Daniel Grossnickle	Santa Monica, CA	2016-08-01	I am very familiar with BiD. They are a private security patrol that has police powers. They constantly harassed and assaulted my employees in Hollywood. They accost, detain, search and assault anyone who does not fit the demographic that does not project the image of the target demographic of BID member businesses.
Mindy Taylor-Ross	Venice, CA	2016-08-01	This is yet another attempt for the rich and powerful to take over Venice. And I'm against that.

Roxanne Steinberg	Venice, CA	2016-08-02	I am a long time Venice home owner and resident. I love the spirit and history of Venice. I care that we remain accessible to artists and friendly to the homeless. I appreciate every inch of public space and potential for community. While I am happy that we now have many good restaurants and small businesses in Venice, we need to remain cognizant of the fact that new businesses and development have pushed out mom-and-pop shops, artistic boutlques created by artists, and artists themselves. Even the most successful of these artists, the individuals that actually made Venice the desirable place it is today can no longer afford to live here. With so called "improvement" the heart and soul that makes Venice special gets lost forever.

Joshua Dysart	Venice, CA	2016-08-02	This is an engine of purposeful gentrification. It's community smashing as an art. Don't let them get away with it.

Leah Ferrarini	Los Angeles, CA	2016-08-03	This is my home. There is little room left for residences in Venice. Forget about affordable housing. Big business promotes the gentrification of BUSINESSES in the area that we don't need. People come to see the smaller shops and jokes in the wall. Send big business to Santa Monica or west la. we can't afford it here. Neighbors like snap chat who have. Turned out neighborhood into a business "campus" are unwelcome
Atje Alfons	Netherlands	2016-08-03	
EDMUND HANSBERRY	CANOGA PARK, CA	2016-08-03	The spirit of Venice is being destroyed.
Michael Naranjo	Venice, CA	2016-08-03	Because I don't think it's fair we have to change our rent prices to keep up with some Ritch dude who doest care about people who have lived there for a long time.
Matthew Beltran	Venice, CA	2016-08-03	The current development projects and some of the businesses in Venice are simply trying to change the landscape of what made Venice the huge cultural hub that it current represents in Los Angeles and the world. A Business Improvement District will only diminish what historic beauty is left.
Adam Michardi	Venice, CA	2016-08-04	I don't see the bid as a positive.
Inge Mueller	Venice, CA	2016-08-04	Privatization of public services without oversight is a bad idea.
Francisco Bravo	Venice, CA	2016-08-04	Venice is already undergoing significant changes. This is not needed and does more harm than good.
Jacob White	Santa Monica, CA	2016-08-04	I was raised 26 years in Venice.
Michael Albrant	Oakland, CA	2016-08-04	Stop ruining Venice!
Diego Garcia	Inglewood, CA	2016-08-04	I grew up eating free meals on Venice Beach every Thanksgiving. It was also a place were people with meager resources had their piece of paradise. Now it's another rich man's trifle.
Biljana Milasin	Los Angeles, CA	2016-08-04	Venice needs to keep it's charm and residents come first!
Josh Berr	Venice, CA	2016-08-04	Community first, not money for a select few.
Javier Rodriguez	Los Angeles, CA	2016-08-04	I grew up in Venice.
Barbara Milliken	Venice, CA 90291, CA	2016-08-04	BID is a transfer of Venice's iconic boardwalk to the wealthy, exacerbating the already wide divide between the wealthy 1% and other Venetians, especially the low-income and homeless. It will radically change our Venice; we don't want a Manhattan/Laguna/Hermosa Beach!
Alex Rea	Venice, CA	2016-08-04	It is important to me as a resident
Bailey Guzman	Los Angeles, CA	2016-08-04	I love my city, I'm proud of my city, we're better than this. I've watched people I love pushed out of their homes. Heard countless accounts of older family members being driven out of Venice, and can't afford to stay in the city they've spent their whole lives.
JASON alexander GERRARD	Marina del Rey, CA	2016-08-04	It seems the BID is working under false pretenses and leading us into a venice beach full of the one percent. Only the richest will enjoy it. BIDs are a form of privatization that harms those that don't own property and limits democratic control over resources. BIDs are not feasible for all businesses or property owners to pay, particularly non-profits and small business owners.
Alex Zepeda	inglewood, CA	2016-08-04	Venice is for everyone
Kevin Dempsey	Cary, IL	2016-08-04	As a resident I've seen Venice change over the past 4 years and I don't like it.
Lorita Contreras	Los angeles, CA	2016-08-05	I'm for the small businesses and love the way it is...

Monica Estrada	Los Angeles, CA	2016-08-05	Stop remaking Venice for tourists and greedy developers. Residents, past, present, and future should be able to say they love the neighborhood with an eclectic array of representation. They should be able to shop locally without going broke. All this is vile.
Rotimi Rainwater	SHERMAN OAKS, CA	2016-08-05	Venice is no place for a BID
Lisette castillo	Santa Monica, CA	2016-08-05	Don't do it!
A B	Venice, CA	2016-08-05	Carl Lambert GTFO of Venice! You're breaking the law with your short term rentals, why should you be trying to impose more laws on us? You are not above the law!
Penelope Stames	Burbank, Ca.	2016-08-05	I'm tired of private companies finding ways to take over public issues to make money. This is an issue for the City Council. Thats why they exist.
Mary Campbell	Venice, CA	2016-08-06	The BID is trying to create a sovereign state in Venice for the wealthy. Venice is not a gated, private community. It is disgusting and a spit on the constitution. Most offensive is the blatant clean vig to our elected officials. Shame on every single one of them.
Jeanette Hanna	El segundo, CA	2016-08-07	Venice needs to stay accessible to all people, not just the tourists and wealthy!!!
Carmen Fanali	Santa Monica, CA	2016-08-07	Leave Venice Free
Marcos Garcia	Los Angeles, CA	2016-08-07	The places with bids are not friendly towards both homeless and the people the store owners think are homeless. They are like private police or bouncers for the area they patrol. Similar to the gestapo of germany.
Tobias Ricci	Valley Village, CA	2016-08-07	Fuedelism sucks.
Peter Simon	Los Angeles, CA	2016-08-09	I've worked in lived in Venice sine 2000. We already have enough incidences with the LAPD we don't need a privatized security force which only represents rich business owners and not the entire community. I think Abbot Kinney intended for Venice to be a place for all people from all walks of life regardless of income or housing
Chris Ekstein	Los Angeles, CA	2016-08-09	Had no idea this was even legal
Maureen Cotter	Venice, CA	2016-08-10	I'm tired of the money people having no respect for other peoples needs. We've had enough gentrification. \$3000 for a one bedroom is not the Venice I know and love. Maureen Cotter
Rick Selan	Venice, CA	2016-08-10	No need for BID except for developers and big business and those who make large donations. Peace, Rick Selan
Timothy Sassoon	Venice, CA, CA	2016-08-12	I've had to contribute to a BID with almost no value returned. IMHO it's a landlord scam and little else.
Barbara Milliken	Venice, CA 90291, CA	2016-08-12	Preserve the small-scale, artist-friendly character of the Sunset neighborhood.

Jed Pauker	venice, CA	2016-08-12	With due respect for our Councilmember's need to perform fiscal triage in the unfair climate created by our wrong-way campaign finance system, and with understanding of commercial needs to navigate a fiercely competitive business environment, I ask all Venetians, and our Councilmember as well, to oppose this and any BID that will - based on known results - deny fair representation to affected parties, further exacerbate the tragedy of homelessness which itself has been increased by some of the very businesses promoting this BID as a de facto "cleansing" agent without regard to human rights and - like the proposed Abbot Kinney hotel - run roughshod over neighbors and neighborhoods who will be subjected to radically increased commercialization and congestion of their homesteads, with no say and no recourse. Private police force, closed-door decisions, loss of public space, government submission to the will of a moneyed few - all agree that these projects will be "game-changers" for Venice. Only their commerce-driven proponents want the game changed in this way. The community at large opposes the BID and all that it represents.
Blake Machamer	Venice, CA	2016-08-12	Enough is enough already with all the existing places with full liquor licenses.
CAROL V. BECK	VENICE, CA	2016-08-12	No BID for Venice, totally not necessary.
Robin Rudisill	Venice, CA	2016-08-15	This has not been a Public Due Process and the BID has not been properly considered with respect to impacts within the Coastal Zone, particularly re. Venice as a Special Coastal Community.
Michael Kohlhaas	Los Angeles, CA	2016-08-15	I guess it's a compliment that you ripped off my photograph for your petition without even a link, but it's a good cause, so I suppose you're welcome to it.
Katherine Lim	Santa Ana, CA	2016-08-18	BID is wrong
peter de'Avila	Hermosa Beach, CA	2016-08-18	Keep Venice Venice
Lillian White	Venice, CA	2016-08-18	I'm opposed to rushing any measures through without more outreach, and explanation. I think this is sure to have a negative impact rather than a positive one.
roseann boffa	venice, CA	2016-08-18	If Ocean Front walk was deeded as public land, we do not need a privatized business consortium taking over. Big business has been trying to turn Venice into Santa Monica for decades. Let's stop it now!
Chris Fay	Venice, CA	2016-08-19	The BID in Venice is not appropriate, not needed, not approved by residents, did not go through any reasonable or legal process for approval, and is an all-around bad idea inconsistent with Venice. It is also of VERY questionable legality.
Caan Hamlet	Venice, CA	2016-08-19	This will finally be the end of the beautiful Venice beach as we know it.

Clayton Scott	Venice, CA	2016-08-19	Pretty soon I won't be able to live in Venice.... Enough is enough.... Too many millionaire and billionaires have ruined what was once so great about our neighborhood.
Marva Smith	Lawton, OK	2016-08-20	Wrong is still wrong, even if it is possible to do it.
Ana Gudiel	santa monica, CA	2016-08-21	We already have police patrolling the wrong ppl. Why would we need another task force who will do the same and keep criminalizing our own ?
Dominique Almeida	Amsterdam, NY	2016-08-21	I appreciate Venice where artists and other cultural creatives made it bloom. They should be able to live andere work here
Roy Edwards	Venice, CA	2016-08-22	I already suffer from living in a Carl Lambert illegal hotel that he is converting from an RSO property at 5 Westminster. I do not believe he should be allowed to ignore any more laws

Miguel Bravo	Venice, CA	2016-08-23	No transparency is a big no-no and the current proponents are currently facing charges by City Attorney for unethical business behavior. We all know BIDs are bad news for locals and homeless citizens.
Joel De Gan	Miami, FL	2016-08-23	I used to live in a Lambert illegal hotel, we don't need any more of this type of bad actor in Venice.
Greg Quinn	Venice, CA	2016-08-23	Privatization is not the way; especially putting it in a handful of developers. BTW, I vote in every election.
Christopher Guerrero	Venice, CA	2016-08-23	I'm for small business ownership and against privatization. Keep Starbucks and coffee bean in the the suburbs.
betty gold	venice, CA	2016-08-24	bettygold ---it is not democratic....the artist made Venice and struggled to fix up their buildings ..

Debra West	Venice, CA	2016-08-24	I don't wish to lose my privacy in my amazing neighborhood, and I don't want big businesses running us
Josey Trevor	Bell Gardens, CA	2016-08-25	We need to stop Gentrification NOW!!!
Mary Williford	Burbank, CA	2016-08-25	I love Venice for its freedom, creativity, art and independence. A BID is nothing more than a power grab and homogenization of unique communities.

Sarah Mahir	Santa Monica, CA	2016-08-25	I am a Venice native and big business and lies are killing the soul of my home
Kate Russel	Brooklyn, NY	2016-08-26	I live in Venice and handing it over to a greedy few is not the solution to its problems. Privatization only works for those at the top. The homeless population and boardwalk artists deserve to be treated with respect. They are a part of the community and part of what makes Venice unique. The boardwalk is a place for the voiceless to have a voice. They cannot just be pushed out by monied interests.
Pamela Anderson	Venice, CA	2016-08-26	LET VENICE BE
Beverly Burkey	Columbia, PA	2016-08-26	I'm signing this for I lived in Venice for several years & I've traveled to Hollywood as well. I've found that the the private security forces in Hollywood are infringing on constitutional rights.
Rebeca Sarabia-Villa	Long Beach, CA	2016-08-30	No to BID!!
Kim Cooper	Los Angeles, CA	2016-09-01	Abbot Kinney's great gift to the citizenry should not be compromised by business interests seeking to privatize public space.
