Bonin

I am writing in support of the Venice BID. Ordinarily, as a more mature Venice resident, I would be opposed to the BID. BUT, I feel I must support it because the City of LA has failed to provide the necessary services to the homeowners and taxpayers of Venice to keep them safe.

It is sad to say this, but we need the added security. The homeless situation HERE IN VENICE is out of control. The Palisades Park area in Santa Monica has been cleaned up as the homeless population is pushed south to Venice. And the new train service is allowing further transience.

I encounter used needles along street gutters, empty bottles of alcohol, piles of garbage, human excrement, and sidewalks that are totally blocked almost each and every day. Rose Avenue, between 3rd and 4th is impassable. There are dogs belonging to homeless people that frighten our children.

The Ocean Front walk is dominated by homeless people and gang members dealing drugs after sunset. I would challenge any recipient on this email list to walk along the Ocean Front Walk from Venice to Rose after sunset any night of the week.

I know I sound callous and cold, but I am tired of the "do nothing" attitude of the City of LA. Everything has fallen on the backs of our taxpayers and our residents. Whatever you pride yourself on doing is just not working. I live here—I know.

If a BID is the only way to re-inforce security in an area now dominated not by homeless Vets, but by young homeless drug addicts who break into properties and antagonize residents who just want to take their dogs for a walk in peace, then please, "bring it on".

Shame on you, Bonin. Shame on you.

Dear City Officials,

I am writing to oppose the establishment of a Business Improvement District (BID) in Venice. I oppose for the following reasons:

1. The process for establishing the BID has not been public or transparent.
2. None of the details or documents about the potential Venice BID have been made public, including the proposed area of coverage, the bylaws or other governing documents, the process for membership, the results of any votes taken, and other relevant information.
3. BIDs in the City of Los Angeles, and particularly their private security forces, have a history of hostility toward homeless and low-income residents resulting in several lawsuits regarding unconstitutional practices.
4. BIDs are a form of privatization that harms those that don't own property and limits democratic control over resources.
5. BID assessments are not feasible for all businesses or property owners to pay, particularly non-profits and small business owners.
6. The founding premise for the Business Improvement District is at fault. It is claimed that a BID is needed because the City of Los Angeles is not providing the proper public services. While there is accuracy in the fact that the city is not providing services, the solution is not privatization. I vehemently oppose any privatization of our public spaces and services. The city is responsible for providing the necessary budget to provide these services.
7. Since 2011, global tech companies, like Google and Snapchat, have enjoyed an 80% Tax Break – our money – taken out of our revenue stream – which isn't and SHOULD BE invested into our public services. As a result of this Tax Break, "Championed" by Councilman Mike Bonin, the City of Los Angeles has lost Billions of Dollars in income. By making these companies pay their fair share, we will be able to properly fund our needed public services.
8. In 1904, Abbot Kinney deeded Ocean Front Walk to be a public park in perpetuity, which also included sharp restrictions on commerce; therefore the city has no authority to approve a BID on this section of Venice.

For these and other reasons, I urge that any proposal for a BID in Venice be denied. Additionally, all documents regarding any plans to date for a BID should be released to the public.

Sincerely,

15 Year Stakeholder of Venice, and Certified Small Business Owner in Venice

Letter: Greetings,

NO B.I.D. FOR VENICE, CA

I am writing to oppose the establishment of a Business Improvement District in Venice. As a longtime stakeholder of Venice, I am concerned about both the Business Improvement District (BID) process and potential implementation.

I oppose for many reasons, including but not limited to:

1. The process for establishing the BID has not been public or transparent. It has not appeared on a Neighborhood Council agenda for comment or approval, and has only been on one Neighborhood Council committee agenda.
2. Very little detail or documents about the potential Venice BID have been made public.
3. Business Improvement Districts in the City of Los Angeles, and particularly their private security forces, have a history of hostility toward homeless and low-income residents resulting in several lawsuits since their inception in the late 1990s regarding unconstitutional practices.
4. Business Improvement Districts are a form of privatization that harms those that don't own property and limits democratic control over resources.
5. Business Improvement District assessments are not feasible for all businesses or property owners to pay, particularly non-profits and small business owners.
6. The founding premise for the Business Improvement District is at fault. It is claimed that a BID is needed because the City of Los Angeles is not providing the proper public services. While this there is accuracy in the fact that the city is not providing services, the solution is

not privatization. I vehemently oppose any privatization of our public spaces and services. The city is responsible for providing the necessary budget to provide these services.

7. Currently, since 2011, global technology companies, such as Google and Snapchat, some of the richest companies on this planet, have enjoyed an 80% Tax Break – our money – taken out of our revenue stream – which isn't and should be invested into our public services. As a result of this Tax Break, "Championed" by Councilman Mike Bonin, the City of Los Angeles has lost Billions of Dollars in income. By making these companies pay their fair share, we will be able to properly fund our needed public services.

8. In 1904, Abbot Kinney deeded Ocean Front Walk to be a public park in perpetuity, which also included sharp restrictions on commerce; therefore the city has no authority to approve a Business Improvement District on this section of Venice.

For these and other reasons, we urge that any proposal for a BID in Venice be denied. Additionally, all documents regarding any plans to date for a BID should be released to the public.

Benefit Network	Venice, CA	2016-07-29	A BID is just plain BAD - however you slice it! More restrictions, more surveillance, more brutality towards the homeless, more money from tax-payers' pockets, etc., etc., etc. Take your BID and BIN it!!!!
Arthur Max	Venice, CA	2016-07-29	B.I.D. is completely inappropriate to the scale and character of this community. It should be rejected.
sylvia aroth	venice, CA	2016-07-29	No to changing Venice' culture and character! No to taxation without representation!
Jette Sorensen	Santa Monica, CA	2016-07-29	Don't ruin Venice!
Deborah Lashever	Venice, CA	2016-07-29	Abbot Kinney created Venice for The People, not wealthy business owners.
Linda Lucks	Venice, CA	2016-07-29	A BID is. A rally bad idea for many reasons, not least of which is that the adjacent property owners on the walk streets are NOT given a vote. They are excluded!
David Ewing	Venice, CA	2016-07-29	This is an attempt to privatize public space and municipal responsibilities. We've seen BID abuse in Hollywood and downtown. Let's not repeat their mistakes.
Lydia Ponce	Venice, CA	2016-07-29	NO!
Frank Lutz	Venice, CA	2016-07-29	This proposed BID will be run by a public-private partnership which will receive funding from the City estimated to include about \$450,000 from the General Fund, to run the proposed 'clean and safe' services. There appears to be little accountability and oversight built into this process. The assessments on the owners (don't call it a tax) will filter into the coffers of the partnership. We are talking about millions of dollars. Property owners who vote for the BID, will have no say in what goes on with this entity unless they somehow get on its board. Fat Chance! The gerrymandered district includes a huge amount of city-owned property. It is estimated that the assessment from city property will comprise about 25% of assessment monies collected and, in turn, the managers of city land will have 25% of the vote for or against a BID. You already know how the city will vote on this. The deck is stacked in favor of a 'yes' vote for a BID. This new group will create its own quasi police force complete with batons, pepper spray and uniforms to keep 'order.'
Jim SmithJimS	Venice, CA	2016-07-29	A "Business Improvement District" in Venice would work against the best interests of our city which is dedicated to the arts, leisure and recreation.
Miguel Bravo	Venice, CA	2016-07-29	BIDs only reinforce policies that give way to gentrification, displacement, and criminalization. Key creators of this BID are currently are facing charges from the City Attorney for displacement of residents. Too many wrongs about this BID! Lack of transparency and community outreach as well!
jataun valentine	venice, CA	2016-07-29	Not fair to the community.
judith scott	venice, CA	2016-07-30	god. this sounds awfully stupid.
Noel Gould	San Pedro, CA	2016-07-30	This is another strategic move by the development community to further gentrify Venice, and it's the pet project of our money chasing councilman Mike Bonin. This is the LAST thing Venice needs!
Rachel Rai	Venice, CA	2016-07-30	Preserve our Historic Venice Heritage!!! Our historic neighborhood is disappearing before our very eyes due to outside real estate corporations. Locals only!!! Let the real residents of Venice make the decisions.

Fred Dewey	Santa Monica, CA	2016-07-30	This is yet another move by the political and economic establishment to covertly advance their power and wealth, using Venice's resources and vitality to over-rule public process and public space. The establishment wants to neuter the neighborhood council and other public forums, and will work tirelessly to do so. Of course this has advanced secretly. The politicians feel entitled to their privileges. This is one more way to protect themselves and their power.
Fred Dewey	Santa Monica, CA	2016-07-30	The establishment wants to extend and expand covert rule, and the politicians will advance and protect anything for that end. This BID is an attempt to outmaneuver and neuter the neighborhood councils, and other public forums and groups, thereby advancing the power and wealth of the few. It is an outrage against the right of the people to an open and public form of government.
ruth boudreaux	nevada city, CA	2016-07-30	Venice should remain a community run by its own citizens not big companies.
Celia Williams	Venice, CA	2016-07-30	Yes ban the BID more policing in Venice bad bad idea!

Roxanne Steinberg	Venice, CA	2016-08-02	I am a long time Venice home owner and resident. I love the spirit and history of Venice. I care that we remain accessible to artists and friendly to the homeless. I appreciate every inch of public space and potential for community. While I am happy that we now have many good restaurants and small businesses in Venice, we need to remain cognizant of the fact that new businesses and development have pushed out mom-and-pop shops, artistic boutiques created by artists, and artists themselves. Even the most successful of these artists, the individuals that actually made Venice the desirable place it is today can no longer afford to live here. With so called "improvement" the heart and soul that makes Venice special gets lost forever.

Joshua Dysart	Venice, CA	2016-08-02	This is an engine of purposeful gentrification. Diane Laurino	Marina del REy, CA	2016-08-02	Im tired of seeing natives lose their property and mew businesses coming in and changing the original an and feel of Venice. Stop the gentrification
JOSEPH COTTEN	Los Angeles, CA	2016-08-02	Enough already with privitization of security! We are coping just fine without turning Venice into a gated Private Police State. Get a grip!
			I have lived in Venice for 38 years. My home is within the Venice Neighborhood Council district (my zip code is Mar Vista)
Sharon DiMuro	Los Angeles, CA	2016-08-03	Venice has already been changed enough. The essence of the Abbot Kinney's plan has been mired by gentrification and people coming wanting to change something that was already working.
Richard Checkman	Los Angeles, CA	2016-08-03	I grew up in the Venice area. Venice was always such a unique place. It wasn't ever perfect but that didn't matter and that was part of it's charm. The idea of some sort of private business entity/ entities controlling the city and it's "security" sounds very dystopian. The same way this country doesn't need Donald Trump.. Venice doesn't need BID.

Daniel Joy	Fall Church, VA	2016-08-03	I'm a former long-time resident of Venice and I would hate to see this happen. Not right for Venice.
debbie wilson	Denver, CO	2016-08-03	I have a deep love for historical Venice and have spent a lot of time there. The free wheeling mix of locals and tourists, the monied folks living near the poor, and the long standing history is worth preserving. Not all change is good. So I say no to BID
tracy aldridge	Venice, CA	2016-08-03	I'm signing this because I live right here at the boardwalk and don't think a group of private business should control the scene down there. Look what happened when the owner of the Cadillac hotel took things in his own hands.
Elaine Brandt	Venice, CA	2016-08-03	Venice doesn't need B.I.D.
Nurse Susan	Pāpa'aloa, HI	2016-08-03	VENICE LEAVE ALONE.
Susan Fancourt	Australia	2016-08-03	I'm signing because I would hate Venice to change into a business district. It is just perfect the way it is, and has been for years.
shannon Fleck	Hinkley, CA	2016-08-03	Leave Venice alone and the homeless and the artist,it's fucking ridiculous that we can't make art if it's used for 2 or more things cop are killer and as shoes they pray on the homeless I've watched them kill homeless shooting them kicking them to death it's bull shot this is a free state not free for cops to vent on and kill the homeless I was homeless 10 years their way he'd police brutality they killed people for no reason said homeless had a gun liars I was at many of those fatalities,cops can't say who dies and kill them ,beating them,even sent them in to put drugs they had on them while making them brake into houses and they come out doing what they the cop told them to do shoot point blank in the head 2 off my friends, I was under a jeep watching they killed then took the drugs back that they gave the homeless killed them because they want to get rid of homeless sad how about the tables turn on them,they drugged me and so friends dropped us in Hollywood and said Goodluck that's bulls hit and take ur id and won't give it back,the badge doesn't give the mother fuckers a right to kill what if they got all that done to them the people shall rise and shut all government down I'm gonna be their to spit on them all fuckers the government and all the police email ur basturds, power to the people fuckers the cops they kill everyday and military, the people r too many we shall rise against uu court of law lol bulls hit send ur assessment to the grave like u do the homeless and the people we've not done anything but told truth about u bast urges ,go to he'll were ur waiting to go god will never send you to heaven murders

Elizabeth Stergiou	Los Angeles, CA	2016-08-03	Because I was raised in Venice and it will always be home. Keep Venice's unique bohemian free spirited way of life INTACT. There is nowhere else like Venice
Shepard Stern	Venice, CA	2016-08-03	I've seen Venice go through many changes in the past 30 years I've lived here. Not all good. Not about to stand by and watch it become a gated community with rent-a-cops beating up the homeless and less fortunate. No BID in Venice!
David Busch	Santa Monica, CA	2016-08-03	BIDS bring negativity and their personel are so cheaply paid and poorly trained that they end up costing more in lawsuits and settlelments than the problems they supposedly prevent.
Michael Reese	Venice, CA	2016-08-03	Venice is losing its way. Snapchat holds too much real estate influence and with this, I feel big money will push out even more of the authentic element that is VENICE.

Silvia Estrada	Santa Monica, CA	2016-08-03	Because enough is enough!!! We need to keep what's left of the special Venice raw... No more development, it's starting to look generic... Get it???!!!!

Jesse Ortiz	Chandler, AZ	2016-08-03	I grew up in Culver City and Venice was my backyard! Don't want Venice to become like Culver City.
Amy Murphy	Southbury, CT	2016-08-03	I believe in keeping Venice and its history in place
Laci Hendricks	Venice, CA	2016-08-03	Development in this community had gotten out of control and is changing all that makes Venice great and has always made it unique. If they keep it up it will look like every beach community and that is so depressing and disgusting. Please stop!!
Kyle King	venice, CA	2016-08-03	BID will not help keep Venice the wild and wonderful place people want to come visit.
Melinie Esformes	Danville, CA	2016-08-03	Venice has always been unique, spirited and a love child of Yhe area forever. To lose that and all those wonderful entrapenureal ideas our country is built upon would be a sad day in the historical freedom in which it stands.
Lisa Hawkins	Troy, MI	2016-08-03	Leave this area alone!
momo Thiam	Los Angeles, CA	2016-08-03	I am signing because the idea is wrong and would hurt small businesses and people trying to make a living. Find other ways to generate revenues.
Graham Richards	Los Angeles, CA	2016-08-03	I'm from Venice !
Jacqueline Woll	Los Angeles, CA	2016-08-03	No More BID in Venice
Mary Anne Thomas	Venice, CA	2016-08-03	I AM SIGNING BECAUSE IT'S TIME FOR A TAX CHAT WITH SNAP CHAT... AND GOOGLE FOR THAT MATTER. All the reasons set forward in the intro. to this petition are valid, especially those which highlight Ocean Front Walk as a PUBLIC PARK IN PERPETUITY. I am signing because people who live on the walk streets, property owners and renters, are being corralled in this BID with no say or oversight. But most of all, I am signing so that the most vulnerable of us, those who live out on the street, are not subject to violence from poorly trained security forces who must hassle people to meet a quota of "contacts"
Paul Abell	Venice, CA	2016-08-03	We do not need this BID, or the shade that comes along with it. Enough with the gentrification and deep pocket glad handing BS.
Matt McLaughlin	Venice, CA	2016-08-03	I want to hold on to what Venice was and make New Venice live with it. Abbot Kinney would have wanted it that way.

Leah Ferrarini	Los Angeles, CA	2016-08-03	This is my home. There is little room left for residences in Venice. Forget about affordable housing. Big business promotes the gentrification of BUSINESSES in the area that we don't need. People come to see the smaller shops and jokes in the wall. Send big business to Santa Monica or west la. we can't afford it here. Neighbors like snap chat who have. Turned out neighborhood into a business "campus" are unwelcome

Michael Naranjo	Venice, CA	2016-08-03	Because I don't think it's fair we have to change our rent prices to keep up with some Ritch dude who doest care about people who have lived there for a long time.
Matthew Beltran	Venice, CA	2016-08-03	The current development projects and some of the businesses in Venice are simply trying to change the landscape of what made Venice the huge cultural hub that it current represents in Los Angeles and the world. A Business Improvement District will only diminish what historic beauty is left.
Adam Michardi	Venice, CA	2016-08-04	I don't see the bid as a positive.
Inge Mueller	Venice, CA	2016-08-04	Privatization of public services without oversight is a bad idea.

Michael Albrant	Oakland, CA	2016-08-04	Stop ruining Venice!
Diego Garcia	Inglewood, CA	2016-08-04	I grew up eating free meals on Venice Beach every Thanksgiving. It was also a place were people with meager resources had their piece of paradise. Now it's another rich man's trifle.
Biljana Milasin	Los Angeles, CA	2016-08-04	Venice needs to keep it's charm and residents come first!
Josh Berr	Venice, CA	2016-08-04	Community first, not money for a select few.
Javier Rodriguez	Los Angeles, CA	2016-08-04	I grew up in Venice.
Barbara Milliken	Venice, CA 90291, CA	2016-08-04	BID is a transfer of Venice's iconic boardwalk to the wealthy, exacerbating the already wide divide between the wealthy 1% and other Venetians, especially the low-income and homeless. It will radically change our Venice; we don't want a Manhattan/Laguna/Hermosa Beach!
Alex Rea	Venice, CA	2016-08-04	It is important to me as a resident
Bailey Guzman	Los Angeles, CA	2016-08-04	I love my city, I'm proud of my city, we're better than this. I've watched people I love pushed out of their homes. Heard countless accounts of older family members being driven out of Venice, and can't afford to stay in the city they've spent their whole lives.
JASON alexander GERRARD	Marina del Rey, CA	2016-08-04	It seems the BID is working under false pretenses and leading us into a venice beach full of the one percent. Only the richest will enjoy it. BIDs are a form of privatization that harms those that don't own property and limits democratic control over resources. BIDs are not feasible for all businesses or property owners to pay, particularly non-profits and small business owners.

Monica Estrada	Los Angeles, CA	2016-08-05	Stop remaking Venice for tourists and greedy developers. All this is vile.

Penelope Stames	Burbank, Ca.	2016-08-05	I'm tired of private companies finding ways to take over public issues to make money. This is an issue for the City Council. Thats why they exist.
Mary Campbell	Venice, CA	2016-08-06	The BID is trying to create a sovereign state in Venice for the wealthy. Venice is not a gated, private community. It is disgusting and a spit on the constitution. Most offensive is the blatant clean vig to our elected officials. Shame on every single one of them.
Jeanette Hanna	El segundo, CA	2016-08-07	Venice needs to stay accessible to all people, not just the tourists and wealthy!!!
Carmen Fanali	Santa Monica, CA	2016-08-07	Leave Venice Free
Marcos Garcia	Los Angeles, CA	2016-08-07	The places with bids are not friendly towards both homeless and the people the store owners think are homeless. They are like private police or bouncers for the area they patrol. Similar to the gestapo of germany.
Tobias Ricci	Valley Village, CA	2016-08-07	Fuedelism sucks.
Peter Simon	Los Angeles, CA	2016-08-09	I've worked in lived in Venice sine 2000. We already have enough incidences with the LAPD we don't need a privatized security force which only represents rich business owners and not the entire community. I think Abbot Kinney intended for Venice to be a place for all people from all walks of life regardless of income or housing
Chris Ekstein	Los Angeles, CA	2016-08-09	Had no idea this was even legal
Maureen Cotter	Venice, CA	2016-08-10	I'm tired of the money people having no respect for other peoples needs. We've had enough gentrification. \$3000 for a one bedroom is not the Venice I know and love. Maureen Cotter
Rick Selan	Venice, CA	2016-08-10	No need for BID except for developers and big business and those who make large donations. Peace, Rick Selan
Timothy Sassoon	Venice, CA, CA	2016-08-12	I've had to contribute to a BID with almost no value returned. IMHO it's a landlord scam and little else.
Barbara Milliken	Venice, CA 90291, CA	2016-08-12	Preserve the small-scale, artist-friendly character of the Sunset neighborhood.

Jed Pauker	venice, CA	2016-08-12	<p>With due respect for our Councilmember's need to perform fiscal triage in the unfair climate created by our wrong-way campaign finance system, and with understanding of commercial needs to navigate a fiercely competitive business environment, I ask all Venetians, and our Councilmember as well, to oppose this and any BID that will - based on known results - deny fair representation to affected parties, further exacerbate the tragedy of homelessness which itself has been increased by some of the very businesses promoting this BID as a de facto "cleansing" agent without regard to human rights and - like the proposed Abbot Kinney hotel - run roughshod over neighbors and neighborhoods who will be subjected to radically increased commercialization and congestion of their homesteads, with no say and no recourse.</p> <p>Private police force, closed-door decisions, loss of public space, government submission to the will of a moneyed few - all agree that these projects will be "game-changers" for Venice. Only their commerce-driven proponents want the game changed in this way. The community at large opposes the BID and all that it represents.</p>

CAROL V. BECK	VENICE, CA	2016-08-12	No BID for Venice, totally not necessary.
Robin Rudisill	Venice, CA	2016-08-15	This has not been a Public Due Process and the BID has not been properly considered with respect to impacts within the Coastal Zone, particularly re. Venice as a Special Coastal Community.
Michael Kohlhaas	Los Angeles, CA	2016-08-15	I guess it's a compliment that you ripped off my photograph for your petition without even a link, but it's a good cause, so I suppose you're welcome to it.

roseann boffa	venice, CA	2016-08-18	If Ocean Front walk was deeded as public land, we do not need a privatized business consortium taking over. Big business has been trying to turn Venice into Santa Monica for decades. Let's stop it now!
Chris Fay	Venice, CA	2016-08-19	The BID in Venice is not appropriate, not needed, not approved by residents, did not go through any reasonable or legal process for approval, and is an all-around bad idea inconsistent with Venice. It is also of VERY questionable legality.

PLEASE DISTRIBUTE THIS TO COUNCIL MEMBERS CONCERNED AND PLACE ON FILE IN TIME FOR TUESDAY'S COUNCILMEETING.

Dear City Officials,

I hereby write to you on behalf of our coalition group, Concerned Neighbors of 320 Sunset. We are a group of 300+ members, both residents and business owners who are situated in and surrounding the Proposed Venice BID District. Concerned Neighbors is in staunch opposition to the Proposed Venice BID. We do not believe the process for establishing this BID has been a public nor transparent one. We, the community, have not been privy to any details or documents about the BID, its bylaws, any membership/voting procedures or any other relevant information.

We do not agree that the city privatize their security, among other responsibilities, to an unknown and non-accountable entity. It is no secret that one of the driving forces behind this BID is Carl Lambert, a serial scofflaw who is currently being legally pursued by your City Attorney Mike Feuer, for operating unpermitted businesses on Ocean Front Walk and its surroundings, where the BID will be focussed. Why on earth would the city hand our precious community over to his unsavory hands?

Furthermore, we feel it is unfair to assess (tax) all business and property owners in order to pay for this BID, particularly non-profits and small businesses, and affected homeowners. Previous case studies from other communities have shown that BIDs are a form of privatization that harms those who don't own property and limits democratic control over resources. Private security forces, such as those used by BIDs, have a history of hostility toward homeless and low-income residents resulting in several lawsuits regarding unconstitutional practices. The homeless population are a part of our Venice community and ought to be protected and provided for, which we do not believe this BID will support.

The founding premise for the Business Improvement District is at fault. It is claimed that a BID is needed because the City of Los Angeles is not providing the proper public services. While there is accuracy in the fact that the city is not providing services, the solution is not privatization. The city is responsible for providing the necessary budget to provide these services. Since 2011, global tech companies, like Google and Snapchat, have enjoyed an 80% Tax Break – our money – taken out of our revenue stream – which isn't being, YET SHOULD BE, invested into our public services. As a result of this Tax Break, "Championed" by Councilman Mike Bonin, the City of Los Angeles has lost Billions of Dollars in desperately needed income. By making these companies pay their fair share, rather than us little people who can least afford it, we will be able to properly fund our needed public services.

In closing, we urge that any proposal for a BID in Venice be denied. This BID is not the solution Venice needs. Abbot Kinney deeded Ocean Front Walk to be a public park in perpetuity, which also included sharp restrictions on commerce; therefore the city has no authority to approve a BID on this section of Venice. If the city of LA approves of this BID on publicly deeded land, they must be prepared for further lawsuits. Additionally, we request total transparency in this process going forward, and that all documents regarding any plans to date for a BID be released to the public.

Please take our concern to heart. Full transparency and review by the community is required before such a serious matter is undertaken.

Thank you for your consideration.

Concerned Neighbors of 320 Sunset

Dear City Officials,

I am writing to oppose the establishment of a Business Improvement District (BID) in Venice. I oppose for the following reasons:

1. The process for establishing the BID has not been public or transparent.
2. None of the details or documents about the potential Venice BID have been made public, including the proposed area of coverage, the bylaws or other governing documents, the process for membership, the results of any votes taken, and other relevant information.
3. BIDs in the City of Los Angeles, and particularly their private security forces, have a history of hostility toward homeless and low-income residents resulting in several lawsuits regarding unconstitutional practices.
4. BIDs are a form of privatization that harms those that don't own property and limits democratic control over resources.
5. BID assessments are not feasible for all businesses or property owners to pay, particularly non-profits and small business owners.
6. The founding premise for the Business Improvement District is at fault. It is claimed that a BID is needed because the City of Los Angeles is not providing the proper public services. While there is accuracy in the fact that the city is not providing services, the solution is not privatization. I vehemently oppose any privatization of our public spaces and services. The city is responsible for providing the necessary budget to provide these services.
7. Since 2011, global tech companies, like Google and Snapchat, have enjoyed an 80% Tax Break – our money – taken out of our revenue stream – which isn't and SHOULD BE invested into our public services. As a result of this Tax Break, "Championed" by Councilman Mike Bonin, the City of Los Angeles has lost Billions of Dollars in income. By making these companies pay their fair share, we will be able to properly fund our needed public services.
8. In 1904, Abbot Kinney deeded Ocean Front Walk to be a public park in perpetuity, which also included sharp restrictions on commerce; therefore the city has no authority to approve a BID on this section of Venice.

For these and other reasons, I urge that any proposal for a BID in Venice be denied. Additionally, all documents regarding any plans to date for a BID should be released to the public.

Sincerely,

Heather Thomason, Stakeholder of Venice

Please accept my sincere concurrence with the points presented in the letter below, I deeply oppose the establishment of a BID in Venice. Venice is Los Angeles by the Sea, not to be co-opted by any group that might endeavor to create access to its features for some residents and visitors, and/or exclusion of access for others.

Writing in opposition to a BID in Venice

Dear Mr. Bonin and City Officials,

I am writing to oppose the establishment of a Business Improvement District (BID) in Venice for the following reasons:

1. The process for establishing the BID has not been public or transparent. It is suddenly coming up for a "vote" but the people who will be impacted have no say in this.
2. None of the details or documents about the potential Venice BID have been made public, including the proposed area of coverage, the bylaws or other governing documents, the process for membership, the results of any votes taken, and other relevant information.
3. BIDs in the City of Los Angeles, and particularly their private security forces, have a history of hostility toward homeless and low-income residents resulting in several lawsuits regarding unconstitutional practices.
4. BIDs are a form of privatization that ignores and even harms those that don't own property - and limits democratic control over resources.
5. BID assessments are not feasible for all businesses or property owners to pay, particularly non-profits and small business owners.
6. The founding premise for the Business Improvement District is at fault. It is claimed that a BID is needed because the City of Los Angeles is not providing the proper public services. While it is true that the city is not providing services, the solution is not privatization. I vehemently oppose any privatization of our public spaces and services. The city is responsible for providing the necessary budget to provide these services.
7. Since 2011, global tech companies, like Google and Snapchat, have enjoyed an 80% Tax Break. This is money taken out of the public revenue stream which should be invested into local

public services. As a result of this tax break, supported by Councilman Mike Bonin, the City of Los Angeles has lost billions of dollars in income. By making these companies pay their fair share, we will be able to properly fund needed public services in Venice.

8. Abbot Kinney deeded Ocean Front Walk to be a public park in perpetuity in 1904, which included sharp restrictions on commerce. Consequently the city has no authority to approve a BID on this section of Venice.

For these and other reasons, I urge that any proposal for a BID in Venice be denied. Additionally, all documents regarding any plans to date for a BID should be released to the public.

Thanks for your attention to this critical issue.

Sincerely,

Judy Branfman

Dear Council Members,

Please read the attached PDF.

State law allows business owners to form Business Improvement Districts. That is not the issue.

Long-term residents have been illegally & systematically removed from multi-unit apartment buildings on Ocean Front Walk and elsewhere in Venice. On June 20, 2016, Los Angeles City Attorney Mike Feuer charged Carl Lambert and Andy Layman with operating illegal hotels in RSO apartment buildings on OFW. Lambert & Layman are both former Presidents of the Venice Chamber of Commerce. They are 2 of the 9 signatures on the proposal/ ballot solicitation for the Venice Business Improvement District. Lambert works regularly with Councilman Mike Bonin.

Do not compound injustice.

Illegal business owners must not be rewarded by our city with our resources & \$!

VOTE NO on the VENICE BUSINESS IMPROVEMENT DISTRICT!

VOTE NO on VENICE BUSINESS IMPROVEMENT DISTRICT!

Dear Councilmembers,

THE CITY OF LOS ANGELES MUST NOT SIGN A CONTRACT WITH KNOWN OPERATORS OF ILLEGAL BUSINESSES IN VENICE.

Long-term residents have been illegally & systematically removed from multi-unit apartment buildings on Ocean Front Walk and elsewhere in Venice.

On June 20, 2016, Los Angeles City Attorney Mike Feuer charged Carl Lambert and Andy Layman, 2 prominent local business owners, with operating illegal hotels in RSO apartment buildings on OFW.

Lambert & Layman are both former Presidents of the Venice Chamber of Commerce. They are 2 of the 9 signatures on the proposal/ ballot solicitation for the Venice Business Improvement District.

Carl Lambert has been the primary promoter of the Venice Business Improvement District starting in 2013 as a member of the Ocean Front Committee of the Venice Neighborhood Council when this proposal was referred to as the Ocean Front Walk Business Improvement District.

Lambert is a lawyer, broker and tax expert. He has converted 5 RSO apartment buildings in Venice into hotels.

As immediate past president of the COC he set the tone for business practices in Venice. The cumulative effect of his apparent willingness to ignore or manipulate laws while COC president is a pervasive pattern of prominent business owners & developers also ignoring or manipulating the law. This activity has been brought to the attention of various city departments including Planning & Building & Safety.

Carl Lambert has worked closely with City Councilman Mike Bonin on issues in Venice including the BID, Venice Forward, & LAPD Surveillance.

DO NOT SUPPORT CRIMINAL OPERATORS IN VENICE:

- **Illegal change-of-use of Rent Stabilized apartments to illegal hotels.**
- **Illegal change-of-use of residential apartments to illegal commercial office & event use.**
- **Intimidation of senior residents, illegal evictions, buyouts under pressure.**

- **Questionable reporting on Mello Act compliance by property owners. The Mello Act is a California state law that protects residential housing and affordable units in the coastal zone.**
- **Questionable Venice Sign Off (VSOs) & Coastal Exemption Permit (CEXs) protocols. Abuse of the terms “renovation” & “extension” for virtual demolitions and McMansion replacements. NO due process for community. Loss of revenue for the City of Los Angeles.**
- **Abuse of Permit Fee assessments based on applicant estimates of total project costs causing a loss revenue for the City of Los Angeles.**

If you illegally remove long-term residents you are removing neighbors, friends, families, local children, community, and the very essence of a “neighborhood.”

You are also removing voters.

If you illegally remove long-term residents & replace them with illegal businesses, those businesses & Chamber of Commerce members vote in the Neighborhood Council elections instead of long-term residents. They promote their agenda.

SPECULATORS WIN AGAIN.

State law allows business owners to form Business Improvement Districts. That is not the issue.

The CITY OF LOS ANGELES MUST VOTE NO to the VENICE BID.

THE LAW MUST MATTER.

ONE SET OF LAWS FOR ALL CONSTITUENTS.

THE CITY OF LOS ANGELES MUST NOT SIGN A CONTRACT WITH KNOWN OPERATORS OF ILLEGAL BUSINESSES IN VENICE.

The Venice Property Owner’s Association is a private entity that will control the Venice BID. Steve Neumann is the only named person in the Venice Property Owner’s Association registration. There is no information on the other executive officers of this entity in spite of numerous requests for information to the Office of the City Clerk.

23.04% of the property in the proposed Venice BID is city-owned. The assessment cost is \$450,000+ per year of taxpayer money.

The City of LA, while committing more than \$450,000 per year, would have zero input in the BIDs operation. Neither will residents.

There has been NO public input.

With city-owned property making up 23.04% of the assessment area, the Venice BID would be a privatization of public areas and city budget for the benefit of private businesses and property owners, some of whom operate illegally, with no public or city input. That is criminal.

Long-term residents have an invested stake in their community and illegally removing them removes the stabilizing presence of family, friends and neighbors. Years of "illegal-change-of- use" complaints to the Department of Building & Safety were closed with no violation but tenants are gone.

These homes must to be returned to their legal use.

Venice is a unique 3-square-mile coastal community. It has the oldest "intentional" black community on the west coast of America.

Venice is currently under a gang injunction.

Venice has more illegal RSO apartment building conversions to illegal hotels and more Airbnb rental listings than any other area of Los Angeles.

These 2 realities cannot logically co-exist.

If Venice is under a legitimate gang injunction why is the City of Los Angeles allowing tourists from all over the world to be put at risk?

Airbnb is putting travelers at risk by refusing to register hosts and thereby allowing rentals on their platform in an area under a gang injunction.

Or is the Venice gang injunction a tool of gentrification?

The city must decide. Allowing these two realities to co-exist is a betrayal of everyone.

A very small group of wealthy property owners combined with the City at 23.04% could pass this vote.

This would be detrimental to the community of Venice as well as small business owners and visitors. Property-owner assessment fees will be passed on to tenant business owners. This will increase the cost of everything from local food prices to goods and services as smaller vendors are potentially forced out. This will have a cumulative negative effect on quality of life for residents and on visitor access.

The entire process of the BID has been secretive. In spite of multiple requests to CD 11 for a community meeting there was only one public presentation by Debbie Dynner Harris

at a Venice Neighborhood Council meeting on April 19, 2016. It was a 5 min overview of the concept and the geographic area of the proposed BID with no Q&A.

City assessor's records show that many properties have been bought in the BID area in the last 6-12mths. This appears to be an unfair advantage in business for those on the inside track, equivalent to insider trading.

A lot of focus in discussions of BIDs is on security. In Venice, the City of Los Angeles has failed to enforce many of its own laws. Property owners have made a lot of money using illegal tactics to remove tenants and benefit themselves at a huge cost to the community.

Who are the criminals?

Do not compound injustice.

VOTE NO on the VENICE BUSINESS IMPROVEMENT DISTRICT!
Illegal business owners must not be rewarded by our city with our \$!

Sincerely,

Margaret Molloy

2 days after the City Attorney's announcement, Carl Lambert & Andy Layman continued with a pre-arranged but unpermitted Venice Chamber of Commerce mixer on the rooftop of Layman's illegal hotel.

Venice Neighborhood Council board members attended.

Their event was fully documented by fellow Chamber members Venice Paparazzi.

Venice Paparazzi was on the scene at Venice Chamber of Commerce's Rooftop Mixer at Venice Beach Suites and Hotel

LAPD Pacific Division Captain Nicole Alberca performed the swearing-in ceremony of the new Venice Chamber of Commerce board.

2 group emails to senior LAPD, CD 11 and the City Attorney's Office requesting that Captain Alberca withdraw from the ceremony because of the message this sends to residents of Venice & beyond were ignored.

Captain Alberca handed the baton from Carl Lambert to George Francisco. Francisco is the current COC President and Venice Neighborhood Council vice-president. He works closely with Lambert & Layman in the COC.

All, I spent an hour this morning with **Bonin**. He brought up the subject by saying "I heard you had a good meeting with Tricia and Chris".

He said that it made sense to make the change. I reinforced that we could then join the BID which is his pet project for the Boardwalk.

Elia, What are the next steps to get it moving.

Carl,

That is fantastic. Thanks for being our bird dog!

Dana and I are both on vacation this week, but I will reach out to Chris and Tricia early next week. (City is closed on Monday for Cesar Chavez)

We need to work out the logistics with the Council office and have them force Housing to back off. If for any reason, Housing won't listen, the City Attorney will.

Thanks again Carl. I'll let you all know when I hear back from the Council office.

- Cleaning up the end to the pier there. I mean we need some money there. And at first they wouldn't do that at Pico because nobody cared about Ocean Park. Well a couple of hotels came in and all of a sudden they cared about Ocean Park. And that got cleaned up because the smell used to be there all the time.

Dear City Officials,

I am writing to oppose the establishment of a Business Improvement District (BID) in Venice. I oppose for the following reasons:

1. The process for establishing the BID has not been public or transparent.
2. None of the details or documents about the potential Venice BID have been made public, including the proposed area of coverage, the bylaws or other governing documents, the process for membership, the results of any votes taken, and other relevant information.
3. BIDs in the City of Los Angeles, and particularly their private security forces, have a history of hostility toward homeless and low-income residents resulting in several lawsuits regarding unconstitutional practices. I have personally witnessed harassment and abuse by BID officers both in Hollywood, and in the Central City East section of downtown Los Angeles.
4. BIDs are a form of privatization that harms those that don't own property and limits democratic control over resources.
5. BID assessments are not feasible for all businesses or property owners to pay, particularly non-profits and small business owners.
6. The founding premise for the Business Improvement District is at fault. It is claimed that a BID is needed because the City of Los Angeles is not providing the proper public services. While this

there is accuracy in the fact that the city is not providing services, the solution is not privatization. I vehemently oppose any privatization of our public spaces and services. The city is responsible for providing the necessary budget to provide these services.

7. One rationale given for the establishment of the Venice BID is to address homelessness, yet this in no way helps the homelessness calamity, it merely pushes homeless neighbors off the boardwalk and into the neighborhood.

8. Since 2011, global tech companies, like Google and Snapchat, have enjoyed an 80% Tax Break – our money – taken out of our

revenue stream – which isn't and SHOULD BE invested into our public services. As a result of this Tax Break, "Championed" by Councilman Mike Bonin, the City of Los Angeles has lost Billions

of Dollars in income. By making these companies pay their fair share, we will be able to properly fund our needed public services.

9. In 1904, Abbot Kinney deeded Ocean Front Walk to be a public park in perpetuity, which also included sharp restrictions on commerce; therefore the city has no authority to approve a BID on this section of Venice.

For these and other reasons, I urge that any proposal for a BID in Venice be denied. Additionally, all documents regarding any plans to date for a BID should be released to the public.

Sincerely,

Rick Garvey
