From: Richard H. Llewellyn, Jr., City Administrative Officer

Reference: Housing and Community Investment Department transmittal dated August 27, 2019; Received by the City Administrative Officer on September 13, 2019, Additional Information Received through September 19, 2019

Subject: **REQUEST FOR AUTHORITY TO ISSUE TAX-EXEMPT MULTIFAMILY CONDUIT REVENUE BONDS OR NOTES IN AN AMOUNT UP TO \$19,960,000 FOR THE SUMMIT VIEW APARTMENTS PROJECT**

RECOMMENDATION

That the Council, subject to the approval of the Mayor, adopt Recommendations II. A through C of the Housing and Community Investment Department transmittal dated August 27, 2019 relative to the issuance of tax-exempt multifamily conduit revenue bonds for the development of the Summit View Apartments Project.

SUMMARY

The Housing and Community Investment Department (HCID) requests authority to issue tax-exempt multifamily housing conduit revenue bonds in an amount not to exceed \$19,960,000 to finance the construction of the affordable housing development known as the Summit View Apartments (Project). The Project will consist of the new construction of 48 units of supportive housing for homeless and chronically homeless households, and one unrestricted manager unit. The subject site is located at 11681 Foothill Boulevard, Los Angeles, CA 91342 in Council District Seven. The California Debt Limit Allocation Committee (CDLAC) awarded the tax-exempt bond allocation for the Project to the City on May 15, 2019 in an amount not to exceed \$19,960,000 and designated a November 12, 2019 issuance deadline.

The HCID is also requesting authority to negotiate and reduce, if necessary, the interest rate of the Project's Proposition HHH loan of \$10,560,000 from three percent to a one percent simple interest rate. On June 29, 2018, the Council and Mayor approved amendments to the 2018-19 Proposition HHH Regulations (C.F. 17-0090-S8) that permit HCID to decrease the interest rate up to two percent in cases where the equity investor's capital accounts are negative, and/or other demonstrated adverse financial condition(s) are present. The HCID reports that the Proposition

HHH funds represent 30 percent of the total development cost, and a reduction in the interest rate could significantly benefit the Project. This Office concurs with the recommendations of the Department.

The City's involvement in the issuance of tax-exempt, multifamily housing conduit revenue bonds is considered true conduit financing, in which the obligation for repayment of the bonds is the responsibility of 11681 Foothill, L.P. and the City bears no financial responsibility for repayment as the issuer. There will be no impact to the General Fund. The financing is consistent with City policies regarding conduit financing.

The Council adopted a Responsible Banking Ordinance (RBO) in May 2012 (C.F. 09-0234 and C.F. 09-0234-S1). The purpose of the RBO is to create a social investment policy that reflects the community's priorities and acts as a tool when seeking financial services. MUFG Union Bank, N.A. (Union Bank) is currently in compliance with the reporting requirements of the RBO and HCID will ensure that Union Bank will continue to adhere to the RBO. Since the City acts only as a conduit issuer in these bond transactions and has no financial interest, the selection of the bank does not constitute City business.

FISCAL IMPACT STATEMENT

There will be no impact to the General Fund as a result of the issuance of these tax-exempt multifamily conduit revenue bonds (bonds) for the Summit View Apartments (Project). The City is a conduit issuer and does not incur liability for the repayment of the bonds, which are a limited obligation payable solely from the revenues of the Project, and the City will in no way be obligated to make payments on the bonds.
