Subject: **COVID-19 EMERGENCY RESPONSE ACCOUNT – GENERAL CITY
PURPOSES FUND STATUS REPORT – WEEK ENDING FRIDAY,
JUNE 5, 2020**

On March 17, 2020, Council adopted a Motion (C.F. 20-0147-S46) to transfer \$20.0 million from the Reserve Fund to the General City Purposes Fund under a new account entitled “COVID-19 Emergency Response” in order to provide City Departments additional resources to address and respond to the COVID-19 pandemic. In accordance with the Motion, the City Administrative Officer is authorized to spend these requested funds at the direction of the Mayor and provide reports to the City Council on expenses incurred and purposes for which the funds were authorized.

On April 7, 2020, in order to continue citywide efforts to address COVID-19, an additional appropriation of \$50.0 million was transferred under Mayoral authority from the Building and Safety Building Permit Enterprise Fund to the COVID-19 Emergency Response account, increasing the overall appropriation to \$70.0 million.

On April 30, 2020, an additional \$75.0 million was transferred to the COVID-19 Emergency Response account from the Building and Safety Building Permit Enterprise Fund to fund ongoing COVID-19 response needs. The transfer was approved under Mayoral authority and subsequently approved by Council on May 5, 2020 (C.F. 20-0530). In accordance with Council action, \$25.0 million of the \$75.0 million transfer will be dedicated to enhancements to the Senior Meals Delivery Program. The total appropriation is now \$145.0 million.

The table on the next page provides a summary of authorized funding from the COVID-19 Emergency Response account for the week ending June 5, 2020. This status report includes changes to the breakdown of approved expenditures according to category. Approved transfers for expenditures are categorized under either General Citywide Response or the Senior Meals Program. Funding requests for Senior Meals are funded by the \$25.0 million allocation in accordance with Council direction, while all other requests will be funded by the remaining \$120.0 million of the \$145.0 million total appropriation.
