**Comments for Public Posting:** Community Clinic Association of Los Angeles County (CCALAC) supports the need to increase the allocation from \$100 million to \$200 million specifically in Coronavirus Relief Funds so that we can meet the needs for both interim and permanent housing solutions.

**Council File No:** 20-0841

**Comments for Public Posting:** It would really help the homeless if you could increase the fund in the Corona Relief Plan to \$200,000 instead of \$100, 000 as proposed. The need is so great, that it would really help to house those left on our streets, during this dangerous time. Thank you.
