**Comments for Public Posting:** A community safety bureau is not ensuring safety for ANYONE. Increasing police presence and "relationships" does nothing but make it easier for them to murder and oppress us. The statistics are there! DO THE GODDAM READING!! And allowing the police to investigate their own misconduct?!?! For real??? Y'all honestly think that's going to be unbiased?? Again, DO THE GODDAM READING BEFORE YOU SHOW UP TO CLASS. Every single one of you is getting voted out!!!

**Comments for Public Posting:** Item 37 approves a \$350K donation to the LAPD for a report be generated to investigate themselves for crimes committed by the LAPD towards protestors. Not only does the fox guard the henhouse in this city, he gets all kinds of funding to keep doing it.

**Comments for Public Posting:** I do NOT approve of this and I urge you to vote NO. A "donation" to the LAPD to investigate itself would be laughable if it wasn't gravely damaging to our communities and our city. Please end the long standing tradition of giving the PD everything they want. Please take a stand today and everyday.

**Comments for Public Posting:** this is commenting for 37 and 39. Vote no, this is regarding item 37. There can not be an independent report funded by the police about the police. This is a joke. People are asking to defund the police - listen to us! This is shameful that this keeps happening! Listen to your constituents!!! As for item 39, We do not want money going to the police! vote no. Also in this shows there is an option for change of funds to change via any means - this is dangerous and with public money - this cannot stand.
