

MOTION

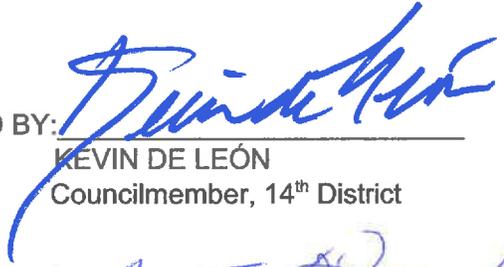

On August 4, in 2020, Council adopted CF 20-0849 which initiated street vacation proceedings for a portion of Center Street between Ducommon Street and Jackson Street (VAC-E1401385). The applicant, the Los Angeles County Metropolitan Transportation Authority (Metro), has stated that the vacation is needed in order to construct their "Metro Center Project". Due to the project's construction timeline, Metro has requested to begin work on the area to be vacated prior to Council adopting the Resolution to Vacate. Council action is needed in order to authorize Metro to proceed.

I THEREFOR MOVE that the Bureau of Engineering be authorized to issue a Revocable "R" Permit to the Los Angeles County Metropolitan Authority for the area of the public right of way described in the Center Street vacation application (VAC-E1401385); and,

I FURTHER MOVE that the Bureau of Engineering not issue the R Permit until all conditions provided to the applicant by the Bureau of Engineering in their July 16, 2020 letter be completed to the satisfaction of the respective departments; and,

I FURTHER MOVE that the Bureau of Engineering be authorized to make any technical corrections in order to effectuate the intent of this motion.
