

## Communication from Public

**Name:** Dr. CLYDE T. WILLIAMS

**Date Submitted:** 10/27/2020 02:06 PM

**Council File No:** 20-1101

**Comments for Public Posting:** Item 13 20-1101 ... Please consider the friendly amendments below and the PRA Request to instructed to DCP and LAFD: I THEREFORE MOVE that the Planning Department and the LA Fire Department prepare and present an amendment to the Hillside Construction Regulation Supplemental Use District that will standardize the definition and comprehensively map all recommended locations for the HCR SUD Citywide. I FURTHER MOVE that the Planning Department, prepare and present an amendment to the Hillside Construction Regulation Supplemental Use District to include the HCR overlay in all Council DistrictS hillsides which feature high concentrations of construction, substandard streets, restricted ingress and egress, below average emergency response times, lack of pedestrian infrastructure and location in Very High Fire Hazard Severity Zones; specifically including, but not limited to the communities of Bowmont Hazen, Coldwater Canyon, and El Sereno (such as, parcels W of Lowell and N of Atlas in 90032/El Sereno) uncleared, land-locked and isolated parcels. PUBLIC RECORD ACT Request Please require DCP and LAFD provide all 2019-20 documents related these parcels (APNo. 53090120- 07, -09, -11, -13, -15, -17, -19, -41, and -44), brush clearance, and access for LAFD (bordering on South Pasadena, via Lowell - Moffat Str. Extension, CiSP 2191 - HDP/TRP).
