SEPTEMBER 27, 2020

RE : Subject: Council File 20-1101

: Support for Councilmember David Ryu's Motion re: Extension of Hillside Construction Regulation overlay (HCR) SUD to Bowmont Hazen and Coldwater Canyon

To Honorable Chair Harris-Dawson and Councilmembers:

I write in support of Councilmember David Ryu's Motion to include the area of Coldwater Canyon from Mulholland Drive to the border of Beverly Hills in the Hillside Construction Regulation Ordinance ("HCR") (Ordinance No. 184827, Council File No. 16-1472-S1 and 16-1472-S-2).

I am a member of Franklin-Coldwater Canyon Neighbors and founder of Hillsides Against Hadid.org. We are approximately three hundred households who live in or adjacent to Coldwater Canyon and Franklin Canyon Park. Our neighborhood is now under attack by predatory developers who have begun destroying hillsides, decimating wildlife habitats and threatening public safety.

The HCR program was intended to apply to the entire area covered by the Bel Air-Beverly Crest Neighborhood Council, including our neighborhood. Unfortunately, it has not been rolled out to all vulnerable neighborhoods (as intended), leaving us directly in the cross-hairs of unscrupulous developers. In absence of the reasonable regulation, oversight and enforcement mechanisms afforded by the HCR, rogue developers have already rushed massively oversized and inappropriate projects through LADBS to secure 'by-right' permits.

By way of one example, Mohamed Hadid, a known criminal mega-mansion developer (recently convicted of numerous misdemeanor violations of LA Building Code at Strada Vecchia, including building without permits and violating stop-work orders and responsible for a torrent of litigation) was summarily given permits to build a 78,000 sq. ft. mega-mansion at 9650 Cedarbrook. This hotel-sized monster house includes a 2000 foot elevated driveway (supported by hundreds of massive concrete columns) and several 30' high so-called retaining walls.

To the right are "before" and "after" images showing the environmental disaster caused by the grading and initial concrete forming work at Hadid's Cedarbrook building site, as of June 2020.

To further appreciate the enormous size and scope of Hadid's Cedarbrook project, please see the following attached exhibits:

- A : Drone aerial images of the Cedarbrook construction site in context of surrounding neighborhoods and canyon areas (as of August 2020);
- B : Operative Cedarbrook dwelling and grading permits; and
- C : Previously published artist renderings of finished Cedarbrook house.

Please also see 360 degree drone footage of the Cedarbrook site in progress as of August 30, 2020 and the resulting decimation of the hillsides and surrounding open space and wildlife habitat.

<https://vimeo.com/453127256>

Apart from the environmental devastation, the construction of this single Hadid project has damaged and blocked narrow canyon streets never intended for hundreds of heavy vehicles and equipment, including an endless brigade of cement trucks. Our homes are bombarded constantly by earth shaking, vibrations, noise and dust. Workers and contractors have sped through stop signs, clogged narrow canyon streets with limited street parking, and created traffic hazards. They have caused an influx of transient traffic, constant noise, and compromised security. The neighborhood has even been compelled to pool its resources, time and money to engage professionals (e.g., architects, engineers, surveyors and land use counsel) to scrutinize the issued permits and analyze its recourse in contemplation of litigation. In short, this massively out-of-scale construction has caused the public health & safety hazards (and neighborhood chaos) to be expected from construction of a hotel-sized property in a residential neighborhood.

But this is just the beginning. Builders like Hadid have already planned to destroy the other hillsides here, including the site at 9650 Royalton which is just a few blocks up Coldwater from Cedarbrook. The Royalton construction project is slated to be another 75,000+ sq. ft. monster house and apart from destroying the entire natural ridgeline (shown below), it would effectively end public access to a considerable portion of the famed Hastain Trail in Franklin Canyon Park enjoyed by thousands of LA residents and park visitors annually.

The HCR has been successful and highly effective in Bel-Air, Laurel Canyon and the Bird Streets. It has protected homeowners from overdevelopment, massive construction sites and overburdened haul routes. At the same time, it is narrowly tailored to fully allow homeowners to renovate and builders to construct appropriate homes in scale with the existing homes. We are simply asking for extension of an existing law which is already helping others similarly situated.

Time is of the essence, however. The longer Planning and City Council wait to act, the more likely it is that the remaining undeveloped hillsides of Coldwater Canyon (including the beloved Hastain Trail) will disappear, the substandard roads will become choked with workers' cars, cement trucks, dump trucks, food trucks and construction equipment all day. These issues pose inherent life-safety challenges to all members of the public.

Accordingly, we respectfully ask that you extend the HCR to include the area of Coldwater Canyon, from Mulholland Drive to the border of Beverly Hills, as soon as possible.

Thank you very much for your prompt and thoughtful consideration.

Sincerely,

Steven L. Weinberg

This permit will also expire if no construction work is performed for a continuous period of 180 days (Sec. 98.0602 LAMC). Claims for refund of fees paid must be filed within one year from the date of expiration for permits granted by LADBS (Sec. 22.12 & 22.13 LAMC). The permittee may be entitled to reimbursement of permit fees if the Department fails to conduct an inspection within 60 days of receiving a request for final inspection (HS 17951).

17. OWNER-BUILDER DECLARATION

I hereby affirm under penalty of perjury that I am exempt from the Contractors' State License Law for the following reason (Section 7031.5, Business and Professions Code. Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he or she is licensed pursuant to the provisions of the Contractors License Law (Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code) or that he or she is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500).):

☐ I, as the owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044, Business and Professions Code). The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who does such work himself or herself or through his or her own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year from completion, the owner-builder will have the burden of proving that he or she did not build or improve for the purpose of sale).

OR

☒ I, as the owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044, Business and Professions Code). The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who contracts for such projects with a contractor(s) licensed pursuant to the Contractors License Law.)

18. WORKERS' COMPENSATION DECLARATION

I hereby affirm, under penalty of perjury, one of the following declarations:

☐ I have and will maintain a certificate of consent to self insure for workers' compensation, as provided for by Section 3700 of the Labor Code, for the performance of the work for which this permit is issued.

☐ I have and will maintain workers' compensation insurance, as required by Section 3700 of the Labor Code, for the performance of the work for which this permit is issued. My workers' compensation insurance carrier and policy number are:

Carrier: _____ Policy Number: _____

☒ I certify that in the performance of the work for which this permit is issued, I shall not employ any person in any manner so as to become subject to the workers' compensation laws of California, and agree that if I should become subject to the workers' compensation provisions of Section 3700 of the Labor Code, I shall forthwith comply with those provisions.

WARNING: FAILURE TO SECURE WORKERS' COMPENSATION COVERAGE IS UNLAWFUL, AND SHALL SUBJECT AN EMPLOYER TO CRIMINAL PENALTIES AND CIVIL FINES UP TO ONE HUNDRED THOUSAND DOLLARS (\$100,000), IN ADDITION TO THE COST OF COMPENSATION, DAMAGES AS PROVIDED FOR IN SECTION 3706 OF THE LABOR CODE, INTEREST, AND ATTORNEY'S FEES.

19. ASBESTOS REMOVAL DECLARATION / LEAD HAZARD WARNING

I certify that notification of asbestos removal is either not applicable or has been submitted to the AQMD or EPA as per section 19827.5 of the Health and Safety Code. Information is available at (909) 396-2336 and the notification form at www.aqmd.gov. Lead safe construction practices are required when doing repairs that disturb paint in pre-1978 buildings due to the presence of lead per section 6716 and 6717 of the Labor Code. Information is available at Health Services for LA County at (800) 524-5323 or the State of California at (800) 597-5323 or www.dhs.ca.gov/childlead.

20. FINAL DECLARATION

I certify that I have read this application INCLUDING THE ABOVE DECLARATIONS and state that the above information INCLUDING THE ABOVE DECLARATIONS is correct. I agree to comply with all city and county ordinances and state laws relating to building construction, and hereby authorize representatives of this city to enter upon the above-mentioned property for inspection purposes. I realize that this permit is an application for inspection and that it does not approve or authorize the work specified herein, and it does not authorize or permit any violation or failure to comply with any applicable law. Furthermore, neither the City of Los Angeles nor any board, department officer, or employee thereof, make any warranty, nor shall be responsible for the performance or results of any work described herein, nor the condition of the property nor the soil upon which such work is performed. I further affirm under penalty of perjury, that the proposed work will not destroy or unreasonably interfere with any access or utility easement belonging to others and located on my property, but in the event such work does destroy or unreasonably interfere with such easement, a substitute easement(s) satisfactory to the holder(s) of the easement will be provided (Sec. 91.0106.4.3.4 LAMC).

By signing below, I certify that:

- (1) I accept all the declarations above namely the Owner-Builder Declaration, Workers' Compensation Declaration, Asbestos Removal Declaration / Lead Hazard Warning, and Final Declaration; and
- (2) This permit is being obtained with the consent of the legal owner of the property.

Comments for Public Posting: RE: item number 6 It is of paramount importance, for all of the reasons stated on the October 1 City Council call, that the Bowmont/Hazen/Kimridge, etc. areas be included in the HCR Ordinance. Thank you.

Comments for Public Posting: Thank you for considering this motion. I live on Hazen Dr. We have been left out of these protections for too long and we need you to fix this asap. There is construction and noise pollution going on every day of the week, there is no parking for our cars on the streets. We need your support. Thank you!

Comments for Public Posting: I write to support Councilman Ryu's motion to include my neighborhood in the Hillside construction Regulation Ordinance.. I live on Bowmont Drive....an extremely narrow road, accessed by Cherokee (another extremely narrow road emptying into Coldwater Canyon. I have had many near misses with construction trucks that were very scary. Plus when those same trucks get to Coldwater they block all 4 lanes of Coldwater as well as both of the lanes on Cherokee. We, in this neighborhood need more protection from rampant construction and use of our very narrow roads. Thank you for considering this motion. I am definitely in favor of it.

Comments for Public Posting: To Honorable Chairs Harris-Dawson and Councilmembers: I am, Lisa Albert, a resident of West Hollywood who has enjoyed hiking the Hastain Trail in Franklin Canyon for over thirty years. I write in support of Councilmember David Ryu's Motion to include the area of Coldwater Canyon from Mulholland Drive to the border of Beverly Hills in the Hillside Construction Regulation Ordinance ("HCR"). The thought that one man's need for yet another mansion will come at the cost of thousands of people's enjoyment of that beautiful spot is appalling. And heartbreaking. Please extend the same protections that apply to all other vulnerable neighborhoods to Coldwater Canyon and Hastain Train in Franklin Canyon Park. Thank you. Lisa Albert
