Comments for Public Posting: To Honorable Chair Harris-Dawson and Councilmembers: I write in support of Councilmember David Ryu's Motion to include the area of Coldwater Canyon from Mulholland Drive to the border of Beverly Hills in the Hillside Construction Regulation Ordinance ("HCR") I, Greg Gallup, am a 55-year resident of Beverly Hills and a 40-year hiker of Hastain Trail. Our hillsides and hiking trails are under attack by predatory developers who have begun destroying them, decimating wildlife habitats and threatening public safety. Please extend the same protections that apply to all the other vulnerable hillside neighborhoods to Hastain Trail in Franklin Canyon Park. Thank you very much.

Comments for Public Posting: To Honorable Chair Harris-Dawson and Councilmembers: I write in support of Councilmember David Ryu's Motion to include the area of Coldwater Canyon from Mulholland Drive to the border of Beverly Hills in the Hillside Construction Regulation Ordinance ("HCR") I live a few miles from Franklin Canyon Park and enjoy hiking Hastain Trail frequently. It's very important that access to outdoor spaces such as this trail are retained and protected. Our hillsides and hiking trails are under attack by predatory developers who have begun destroying them, decimating wildlife habitats and threatening public safety. Please extend the same protections that apply to all the other vulnerable hillside neighborhoods to Hastain Trail in Franklin Canyon Park. Thank you very much,
Jennifer Susich

Comments for Public Posting: I am a hiker of Hastain Trail as it's one of the best hikes in LA. It saddens me that our hillsides and hiking trails are under attack by developers who have begun destroying them, decimating wildlife habitats and threatening public safety. The disregard shown for one of the last precious spots in the area is very disheartening. Please extend the same protections that apply to all the other vulnerable hillside neighborhoods to Hastain Trail in Franklin Canyon Park. Thank you very much.

Comments for Public Posting: FIRST: Visit the City Council link and add a "public comment" to show your support for Councilman Ryu's motion. It's not exactly clear but to leave a public comment, click on the icon covered by the word "NEW." There are already about 20 comments filed by various individuals (and other neighborhood associations) but the more, the better. A public comment can be as simple as the following: "To Honorable Chair Harris-Dawson and Councilmembers: I write in support of Councilmember David Ryu's Motion to include the area of Coldwater Canyon from Mulholland Drive to the border of Beverly Hills in the Hillside Construction Regulation Ordinance ("HCR") I am a resident of Coldwater canyon at Royalton drive. Our neighborhood is now under attack by predatory developers who have begun destroying hillsides, decimating wildlife habitats and threatening public safety. Please extend the same protections that apply to all the other vulnerable hillside neighborhoods. HADID YEARS ago started excavating the hillside at 9650 Royalton drive and now every time it rains - there is a mudslide. How does a criminal like him be allowed to pull permits at 2 other Hillside locations off Coldwater? BAD BAD BAD Thank you very much."

Comments for Public Posting: I am a resident of the city of Los Angeles. I'm asking that you and your committee protect the area near Coldwater canyon between Beverly Hills and Mulholland, specifically and including the area of the Hasting trail in Franklin canyon. I support council members Ryu's motion to do this
