

## Communication from Public

**Council File No:** 20-1139

**Comments for Public Posting:** We oppose the motion to approve due to the vague information presented on file, and the public being overwhelmed by lock down under covid 19 restrictions( May 2020). This body should extend another opportunity for communities to hear the ordinance in its entirety, especially when the city has not done its due diligence to disseminate this ordinance to the public. Thank you for your time and consideration.
