Comments for Public Posting: I DEMAND that the council members oppose homeless criminalization motion CF 20-1376. We are the midst of multiple ongoing crises and the city should not be making the lives of our most vulnerable even worse at this time. If the city does not provide a safe alternative, where the hell are people without housing supposed to go? This makes absolutely no sense. Not having a home is NOT a crime. Remember, YOU work for US! We demand dignified low and no cost public housing for all Angelenos.
