Summary: The Hollywood United Neighborhood Council understands the desire of Judge Carter and its housed residents that its unhoused residents should no longer be forced to live under the areas like the Gower underpass. However, criminalizing people for doing so when there are no other desirable options is not a viable solution and is contrary to both Judge Carter's order and Martin v Boise. HUNC therefore opposes the initial motion for motion to 20-1376 and the Blumenfield/Cedillo amending motion.
