Resolution in Support of CF 20-1376

Whereas, in proposing the Bridge Housing program, Mayor Garcetti and members of the Los Angeles City Council promised that the area around Bridge Housing sites would be free of camping, encampments and personal property; and

Whereas, the Mayor and City Council have completely failed to keep this promise in the instance of the Bridge Housing facility in Venice; and

Whereas, several councilmembers have joined together to introduce Council File 20-1376, which would fulfill these promises by legislating that: “At no time shall any person obstruct a street, sidewalk or other public right-of-way open for pedestrian travel: (a) by sitting, lying or sleeping, or by storing, using, maintaining or placing personal property in a manner that does not allow for passage as required by the Americans with Disabilities Act of 1990; By sitting, lying or sleeping, or by storing, using, maintaining or placing personal property within ten feet of any operational or utilizable entrance, exit, driveway, or loading dock :and upon resolution adopted by the City Council and posting of signage, at no time shall any person sit, lie, sleep or store, use, maintain, or place personal property in or upon any street, sidewalk, public right-of-way, or public property within the radius specified in the resolution (up to a maximum of 500 feet) of a designated facility, opened after January 1, 2018, that provides housing shelter, supportive services, safe parking, or storage to homeless persons where the City Council determines that the public health, safety, or welfare is served by the prohibition, including without limitation by finding that public lodging and storage of personal property adjacent to the designated facility is incompatible with the best interests of the facility, its occupants or users, or neighboring uses; And upon resolution adopted by the City Council and the posting of signage, at no time shall any person sit, lie, sleep or store, use, maintain, or place personal property in or upon any street, sidewalk, public right-of-way, or public property within the radius specified in the resolution (up to a maximum of 500 feet) of a designated freeway overpass, underpass, ramp, tunnel, or pedestrian subway where the City Council determines that the public health, safety, or welfare is served by the prohibition, bringing the city into conformance with aspects of the LA Alliance for Human Rights lawsuit against the City and County of Los Angeles; And without prior notice, the City may remove and may discard any bulky item, whether attended or unattended, stored in a public area unless the bulky item is designed to be used as a shelter; and at no time shall any person who has been offered shelter sit, lie or sleep in or upon any street, sidewalk, or other public right-of-way, or publicly owned property, and”
