### SUMMARY

At its regular meeting held on November 9, 2020, the Budget and Finance Committee considered Motion (Rodriguez - Cedillo) relative to the below market value sale of one LAFD 1996 Seagrave Triple Engine (VIN# 1F9EC28T5TCST2106) to the City of Obregon.

The Motion states that the Obregon Fire Department is in urgent need of additional equipment as a large portion of Obregon's current fire safety fleet is obsolete or not safe for operation. The donation of one LAFD 1996 Red Seagrave Triple fire engine with accompanying equipment will be used to aid fire safety efforts in the City of Obregon. The fair market value of the 1996 Seagrave Triple Fire Engine is \$5,000 which will be foregone revenue should it be donated.

After providing an opportunity for public comment, the Committee approved the recommendations in the Motion. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
