Comments for Public Posting: I want the West Valley Animal Shelter to remain a full municipal shelter, just as it was prior to its closing in April 2020. Prop F was a bond measure passed to in 2000 to build, expand, and renovate the city's animal shelters. The San Fernando Valley was supposed to have 3 shelters but one was already given to a rescue. If West Valley is also given away, that would leave only one shelter to serve over 1.5 million people and 260 square miles in the SFV and that is not acceptable. thank you Benjamin Hollick

Comments for Public Posting: I demand that the West Valley Animal Shelter be reopened as it was prior to its closing in April 2020!!!! The situation you have put the animals in is horrific and unacceptable!!! You all should be ashamed of yourselves!!! There is not enough space for these poor animals as it is even with two shelters let alone one.
