Comments for Public Posting: Dear PLUM Committee members, Our friends at Esotouric said it best: Morris Kight represents all that Angelenos can aspire to, as a citizen who lived a life in service to his community, and in the belief that California can be a progressive refuge to people who experience oppression in other places. His home was indistinguishable from his activism, and tells a powerful story of Gay Liberation and how old buildings can be the soil where new ideas grow. The world is a different place because of the work Morris Kight did here. I urge you to approve the landmark designation for 1822 West 4th Street / Morris Kight Residence. Thank you. In solidarity, Jonathan Pacheco Bell @c1typlann3r

Comments for Public Posting: I am writing to request that the City of Los Angeles designate the Morris Kight Residence as a historical monument. His contributions and the meetings that went on in this residence facilitated the gay rights movement in Los Angeles and should be recognized. Respectfully Submitted, Jon Schafer

Comments for Public Posting: The Morris Knight house is one of the most important monuments in the history of the LGBTQ+ movement in Los Angeles. Its preservation is vital for Queer history in Los Angeles. Having a physical touchstone for our community to celebrate and honor one of the roots of our history in Los Angeles is a rare opportunity for us. We deserve this. Please consider our case.
