**Comments for Public Posting:** Hello my name is Abdullah and I'm a member with ACCE and, I live in D8. I am calling in regards to agenda item #5 #4 We support this motion and this effort to find a solution to this problem. We also want to recommend that the Neighborhood Stabilization Overlay Zone extends to the area known as the USC Nexus Study area and we encourage prioritization of housing at 60% AMI for housing serving council district 8. We push for an Interim Control Ordinance for the next 12 months on any demolition of LA RSO Housing, and a pause on any entitlements of housing aimed for students in the NSO area, companies like Tripalink have been demolishing none stop destroying the aesthetic of our neighborhood and pushing our people out. we ask for a report back in 60 days, as the issue is urgent. we would like this to be added to the oral report.
