Comments for Public Posting: Thank you for laying out so blatantly how you will be fast tracking the bloodshed of innocent people who happen to not have the credit, support systems, and thousands of dollars required to live under a roof in Los Angeles. Thank you for destroying all of their stuff. Thank you for destroying their shelter. Thank you so much for your service to your community of rich people complaining about smells. Thank you for putting poor people in jail and giving cops the legal ok to brutalize them. Thank you for making LA the wonderful city that it is.
