ECONOMIC DEVELOPMENT COMMITTEE REPORT and ORDINANCE OF INTENTION
FIRST CONSIDERATION relative to the renewal of the Greater Leimert Park Village/Crenshaw
Corridor (Property-Based) Business Improvement District (BID).

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. FIND that:

- a. The petitions submitted on behalf of the proponents of the proposed Greater Leimert Park Village/Crenshaw Corridor BID are signed by property owners who will pay more than fifty (50) percent of the assessments proposed to be levied.
- b. All parcels that will have a special benefit conferred upon them and upon which an assessment would be imposed are those as identified in the Management District Plan.
- c. In accordance with Article XIID of the California Constitution and based on the facts and conclusions contained in the Engineer's Report, the assessment levied on each parcel within the proposed District is proportionate to the special benefit derived from the improvements and activities that are to be provided.
- d. In accordance with Article XIID of the California Constitution and based on the facts and conclusions contained in the Engineer's Report, the Engineer has separated the general from special benefits. The Engineer's Report identified general benefits in the amount of 4.49 percent to be separated from the special benefits conferred on parcels within the proposed District. The yearly general benefits cost must be paid from funds other than the assessments collected for the Greater Leimert Park Village/Crenshaw Corridor BID. The general benefit cost for first year of operation is \$10,068.61.
- e. In accordance with Article XIID of the California Constitution and based on the facts and conclusions contained in the attached Engineer's Report, no assessment imposed on any parcel exceeds the reasonable cost of the proportional special benefit conferred on that parcel.
- f. The assessments for the proposed District are not taxes and that the District qualifies for exemption from Proposition 26 under exemption 7 of Article XIIC §1(e).
- g. The services to be provided by the Owners' Association are in the nature of professional, expert, technical or other special services, that the services are of a temporary and occasional character, and that the use of competitive bidding would be impractical, not advantageous, undesirable or where the common law otherwise excuses compliance with competitive bidding requirements.
- h. The proposed improvements and activities are completely separate from the day to day operations of the City of Los Angeles.

2. APPROVE Community Build, Inc. to serve as the Owners' Association to administer the Greater Leimert Park Village/Crenshaw Corridor BID.
3. ADOPT the Preliminary Report of the City Clerk, attached to Council file (C.F.) No. 13-0603.
4. ADOPT the Management District Plan, attached to C.F. No. 13-0603.
5. ADOPT the Engineer's Report, attached to C.F. No. 13-0603.
6. PRESENT and ADOPT the accompanying ORDINANCE OF INTENTION to establish the Greater Leimert Park Village/Crenshaw Corridor BID.
7. AUTHORIZE the City Clerk, upon establishment of the District, to prepare, execute and administer a contract between the City of Los Angeles and Community Build, Inc. for the administration of the District's programs upon adoption of the Ordinance establishing the District.
8. DIRECT the City Clerk to comply with the notice, protest, and hearing procedures prescribed in the Proposition 218 Omnibus Implementation Act (California Government Code, Section 53750 et seq.).
9. REQUEST the City Attorney, with the assistance of the City Clerk, to prepare an enabling Ordinance establishing the Greater Leimert Park Village/Crenshaw Corridor BID for Council consideration at the conclusion of the required public hearing.

Fiscal Impact Statement: Assessments levied on the eleven (11) City-owned properties within the District to be paid from the General Fund total \$23,453.93 for the first year of the District. Funding is available in the BID Trust Fund 659 to pay the General Fund's share of assessments for the first operating year. Assessments levied on the former Community Redevelopment Agency of the City of Los Angeles and Los Angeles Department of Water and Power properties within the District will not be paid from the General Fund.

Proposition 218 requires the separation of general benefits from the special benefits. The general benefit portion for the Greater Leimert Park Village/Crenshaw Corridor BID is \$10,068.61 for the first year. However, funds other than assessment revenue must be budgeted annually for the general benefit expense for the BID's five-year term.

Community Impact Statement: None submitted.
