

CITY OF LOS ANGELES
INTER-DEPARTMENTAL CORRESPONDENCE

June 18, 2013

TO: Honorable PLUM Committee Members

FROM: Luciralia Ibarra
Hearing Officer
Department of City Planning

SUBJECT: **CPC-2008-3440-GPA-VZC-HD-ZV-CUB**
Conditions Corrections for the Millennium Hollywood Project

At its meeting on March 28, 2013, the City Planning Commission, approved the Millennium Hollywood project, a mixed-use development consisting of 492 residential units, a 200 room hotel, approximately 100,000 square feet of new office space, an approximately 35,000 square foot sports club, approximately 15,000 square feet of retail uses and approximately 34,000 square feet of food and beverage uses within two towers, ranging in height from 220 feet to 585 feet in the maximum height scenario. The project consists of an eastern site and a west site, flanking Vine Street between Hollywood Boulevard to the south and Franklin Avenue to the north.

A subsequent review of the determination letter as well as the Development Regulations issued with the City Planning Commission's action warrants corrections to formatting and typographical errors.

The following is a modification to Condition No. 2 of the Qualified Conditions of Approvals from the City Planning Commission determination dated April 27, 2013.

(Q) QUALIFIED CONDITIONS OF APPROVAL

2. **Site Development.** Prior to the issuance of any permits for the subject project, detailed development plans, including a complete landscape and irrigation plan, shall be submitted for review and approval by the Department of City Planning – Major Projects Section for verification of compliance with the Development Regulations attaches as Exhibit C. ~~Minor deviations may be allowed in order to comply with provisions of the Municipal Code, the subject conditions, and the intent of the subject permit authorization.~~

In addition, Planning Department staff recommends the following modifications to the approved Development Regulations, attached herein.

All other conditions shall remain unchanged.
