Subject: density..  
To: Sharon.Gin@lacity.org

Hi Sharon,

As a longtime resident I am appalled that the density plan is being considered much less apparently fully supported by the council despite widespread majority opposition, It is unworkable and traffic is already way too much and this added "density" with no consideration of the impact to the lives of the people in the community for developers profits is very corrupt on its surface. Please know we are doing what we can to stop this insane plan that will ruin Hollywood. Please refer to Council Files 13-0593 & 13-0593-S1

Sincerely,

George Clark
