Please review the illustrations in the LA 2024 Bid Book :

The bridge across Caesar Chavez Boulevard is gone. MTA property on Mission Road are replaced by highrises.
DWP property on Main St. is gone and greened. Ann St Elementary school does not appear. San Antonio Winery disappeared.

The railroad right-of-ways look elevated over the river.

Union Station Master Plan uses Piper Tech for a High-Speed Train station and hotel. This illustration keeps it intact.
Why are there plans for Los Angeles Parks Foundation to place its headquarters at Griffith Park?

How many BILLIONS and BILLIONS and BILLIONS of taxpayer money do you plan on spending?

GREED seems to be the goal-not sport or competition.
