TIME LIMIT FILE - NOVEMBER 30, 2020

(LAST DAY FOR COUNCIL ACTION - NOVEMBER 25, 2020)

Summary:

On October 27, 2020, your Committee considered a September 11, 2020 CAO report relative to proposed Sixth Amendment to Contract No. C-124017 with ASSI Security for security management systems at LAPD facilities. According to the CAO, the LAPD requests authority to execute the Sixth Amendment to Contract No. C-124017 with ASSI Security for security management services. The Sixth Amendment will extend the term of the contract an additional two years from June 5, 2020 through June 4, 2022. The LAPD states that due to the recent pandemic, extending the term of the contract will allow LAPD sufficient time to conduct the Request for Proposals process for security management services, which includes repair services, new components/equipment, and upgrades for the LAPD's security systems. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Sixth Amendment. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
