Re: Bothwell Ranch Historic Nomination – City Council Hearings

Dear Ms. Campos:

Our firm represents the various trusts and other entities (our “Clients”) that collectively own the area commonly known as the Bothwell Ranch, located at 5300 North Oakdale, which is the subject of a pending Historic-Cultural Monument application – CHC-2019-5114-HCM. We understand that the City has scheduled a hearing before Planning and Land Use Management Committee of the City Council for January 28, 2020 and tentatively scheduled a hearing before the full City Council in February. In order to facilitate additional discussions regarding the matter between our Clients and the City, we hereby request that the City continue the hearings to a later date consistent with the time limits under applicable law. In conjunction with this request and on behalf of our Clients, our Clients hereby consent to an extension of up to 60 days for the City Council to review and take action on the pending application.

Thank you in advance for your assistance in this matter. Please do not hesitate to contact me should you have any questions or need anything further.

Sincerely,

Andrew K. Fogg
