

On October 30, 2019, Council took various actions related to the Canoga Park Stage Arts Lab Project (Project) located at 7242 Owensmouth Avenue in Canoga Park (C.F. 14-1174-S22). Among those actions, Council authorized the Department of Public Works, Bureau of Engineering (BOE) to serve as the lead City department responsible for the planning, design, and contract development of the Project. The Project involves the design and implementation of various capital improvements to the Project site.

The BOE has an existing contract with Gensler (Contract No. C124805), a City consultant, for design services related to the Madrid Theatre located at 21622 Sherman Way in Canoga Park. Gensler was selected by the BOE through Task Order Solicitation (TOS) No. 55, Work Order No. E1908443. The Madrid Theatre lies in close proximity to the Project site and both are part of the Canoga Park Cultural Arts Hub initiative. As a result, it would be efficient and appropriate for Gensler to expand their work to include design services for the Project.

I THEREFORE MOVE that the Council Action of October 30, 2019 relative to the Canoga Park Stage Arts Lab Project (Project) (CF 14-1174-S22), BE AMENDED to direct / authorize the Bureau of Engineering (BOE) to prepare, process, and execute the necessary document(s) with, and/or payment(s) to Gensler, a City consultant, for design services for this Project, utilizing taxable CRA/LA Excess Non-Housing Bond Proceeds from the Reseda/Canoga Park Redevelopment Project Area already set aside in the original Council Action, and subject to the approval of the City Attorney as to form, if needed.

I FURTHER MOVE that the Council FIND that the services to be performed by Gensler are for the performance of professional, scientific, expert, technical, or other special services of a temporary and occasional character for which competitive bidding is not practicable or advantageous and that the work can be performed more economically or feasibly by independent contractors than by City employees.

I FURTHER MOVE that the BOE be authorized to make any corrections, clarifications or revisions, to the above fund transfer instructions, including any new instruction, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said correction / clarifications / changes may be made orally, electronically or by any other means.
