SUBJECT: Support for supportive housing project in Council District 13
Council File 12-1549-S10
1140-1152 N. Glendale Avenue, 1140-1155 N Lemoyne Street

I am writing in support of the action to issue a Request for Proposal for a potential supportive housing project which will provide housing for up to 100 formerly homeless individuals and/or families.

The zoning of this particular site allows for more housing units and greater cost efficiency than other public parking lots in the vicinity.

It is important, in this time when the city is facing a true humanitarian crisis with respect to people living on our streets, and many perishing, at an alarming rate, that the council move expeditiously to identify good site for housing. This process is known to take years, and it is important to start now and not delay. Please support the issuance of the RFP for this project.

Cc: Councilmember Mitch O'Farrell
