SUMMARY

In a report to BOAC dated October 1, 2020, LAWA requests approval of the Third Amendment to Contract DA-5143 with Birdi Systems, Inc. LAWA is in the process of implementing a new identity management and credentialing system to replace the existing credentialing system. The existing credentialing system and the new identity management and credentialing system need to operate in parallel to ensure that is fully functional prior to permanently decommissioning the existing system. At its meeting held December 1, 2020, the Trade, Travel, and Tourism Committee recommended that Council approve the proposed contract, as recommended by BOAC.
