Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 13-1339

Agenda Date:

Item Number:

Summary: The Arroyo Seco Neighborhood Council (ASNC) supports the Code Amendment per Council File Number 13-1339 to add the Toyon, which has been designated the official native plant of the City of Los Angeles, and the Mexican Elderberry to the City's list of Protected Trees. These are both shrubs whose berries attract butterflies and provide food and shade for a large variety of native birds. Both of these plants have been an important part of the local environment, and were prized by Native American tribes, such as the Chumash, Tongva, and Tataviarn.
