Comments for Public Posting: Dear committee members, my wife and I have lived in Hollywoodland for a number of years. We ask that you exempt all of the streets in Hollywoodland from tour bus operations, all of the streets In our neighborhood are substandard narrow hillside streets. We live in a high fire danger area, getting Emergy vehicles to navigate these streets is extremely difficult. We have had many difficult issues in our and in surrounding neighborhoods and by tour buses to operate in these hills would only exacerbate the problem. Thank you, TJ and Paula Escott
