Comments for Public Posting: I live in the neighborhood and am constantly burdened by the constant stream of tourist busses. The busses are not only a nuisance but they are a safety hazard for people in cars as well as for the passengers in the busses.

Comments for Public Posting: I live in Nichols Canyon and use Mulholland Drive Woodrow Wilson and Nichols Canyon Road every day. Many tour operators have one person driving and conducting tour and parking in unsafe places marked no parking. Also, the buses are too large for the residential streets like Woodrow Wilson and Nichols Canyon Road. Please limit use of these buses in the Hills area! Thank you.
