

## Communication from Public

**Name:** Andrew Silver

**Date Submitted:** 10/01/2020 10:39 AM

**Council File No:** 20-1267

**Comments for Public Posting:** I urge the Public Safety Committee and full Council to support this motion. The excessive noise pollution caused by loud vehicles is detrimental to the quality of life in Los Angeles. The city needs to develop better methods and deterrents to this nuisance.
