Summary: The Los Feliz Neighborhood Council supports the motion to maximize signal priority for public transit systems, specifically in this case Metro's Expo Line. While the route of the Expo Line does not fall under our neighborhood boundaries, Los Feliz enjoys many bus lines as well as two Metro subway stops at Sunset/Western and Sunset/Vermont. Any improvements made to the Metro system will extend to the entirety of the system, and will improve our stakeholders ability to move about Los Angeles without need for a vehicle, resulting in less vehicular traffic, more parking availability, and cleaner air.
