(MCIA or Association) as the exclusive representative of the employees in the Inspectors Unit for which MCIA was certified as the representative by the Employee Relations Board (ERB) on February 18, 1983. The City of Los Angeles (Management) hereby recognizes MCIA as the exclusive representative of the employees in said Unit, subject to the right of each employee to represent him/herself.

The term "employee" as used herein, shall refer only to employees in the classifications listed in the Appendices, as well as such classes as may be added hereafter to the Unit by the ERB.

ARTICLE 1.2 PARTIES TO MOU

This Memorandum of Understanding (MOU) is entered into on, by the City Administrative Officer (CAO), as authorized management representative of the City Council, (Council) and the authorized management representatives of the Los Angeles World Airports (LAWA), Building and Safety (LADBS), Housing and Community Investment (HCID), Port of Los Angeles (POLA), Economic and Workforce Development (EWDD), and Public Works Bureaus and Offices, and authorized representatives of the MCIA as the exclusive recognized employee organization for the Inspectors Unit.

ARTICLE 1.3 IMPLEMENTATION OF MOU

This MOU constitutes a joint recommendation of Management and the MCIA. It shall not be binding in whole or in part on the parties listed below unless and until:

- A. The MCIA has notified the CAO in writing that it has approved this MOU in its entirety; and
- B. The administrative heads of those departments, offices or bureaus represented herein have approved this MOU in its entirety in the manner required by law; and
- C. The City Council has approved this MOU in its entirety.

Where resolutions, ordinances or amendments to applicable codes are required, those Articles of this MOU which require such resolutions, ordinances or amendments will become operative on the effective date of such resolution, ordinance or amendment unless otherwise specified.

ARTICLE 1.4 FULL UNDERSTANDING

Management and the MCIA acknowledge that during the meet and confer process each had the unlimited right and opportunity to make demands and proposals on any subject within the scope of representation, and that this MOU constitutes the full and entire understanding of the parties regarding all such demands and proposals. The parties mutually understand that any prior or existing understandings or agreements by the parties, whether formal or informal, are hereby superseded or terminated.

The parties agree that this MOU may not be opened at any time during its term for any reason, except by mutual consent of the parties hereto, and that any changes mutually agreed to shall not be binding upon the parties unless and until they have been implemented in accordance with Article 1.3.

The waiver or breach of any term or condition of this MOU by any party hereto, shall not constitute a precedent in the future enforcement of any of its terms or provisions.

ARTICLE 1.5 TERM

The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.3, Implementation of MOU, are fully met, but in no event shall the provisions of this MOU become effective prior to 12:01 a.m. of June 23, 2019. This MOU shall expire and otherwise be fully terminated at 12:00 p.m. on June 30, 2022.

ARTICLE 1.6 CALENDAR FOR SUCCESSOR MOU

Should the MCIA or Management desire a successor MOU, said party shall serve upon the other during the period of January 31, 2022, and February 25, 2022, its written proposals for such successor MOU. Negotiations shall begin no later than sixty (60) calendar days following the receipt of the MCIA's or Management's proposal(s). This calendar may be adjusted by mutual consent.

ARTICLE 1.7 OBLIGATION TO SUPPORT

During the period this MOU is being considered by the Mayor, Council, Council Committees, or the Commissioners of those departments where the Commission is the department head, neither the MCIA nor Management, nor their authorized representative, will appear before the Mayor, Council, Council Committees, or said Commissions, nor meet with the members of the Council or said Commissioners individually to advocate any addition or deletion to the terms and conditions of this MOU. However, this Article shall not preclude the parties from appearing before the Mayor, Council, Council Committees or said Commissions, nor meeting with individual members of the Council or said Commissioners to advocate or urge the adoption of this MOU.

ARTICLE 1.8 PROVISIONS OF LAW AND SEPARABILITY

It is understood and agreed that this MOU is subject to all applicable Federal and State laws, City ordinances and regulations, the Charter of the City of Los Angeles, and any lawful rules and regulations enacted by the City's Civil Service Commission or the ERB. If any part or provision of this MOU is in conflict or inconsistent with such applicable provisions of Federal, State, or local law or regulations, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, such part of said provision shall be suspended and superseded by such applicable law or regulations and the remainder of the MOU shall not be affected thereby; the parties agree to negotiate promptly a replacement for such part or provision.

The parties understand that many of the employees covered by this MOU may also be covered by the Fair Labor Standards Act of 1938, as amended, 29 U.S.C. Section 201 et seq. (FLSA). To the extent that any provision herein conflicts with the FLSA, employees covered by the FLSA shall receive benefits required hereunder and any additional benefits set forth herein if compatible with the FLSA.

ARTICLE 1.9 CITY - ASSOCIATION RELATIONSHIP

A. Continuity of Service to the Public

The City of Los Angeles is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of all citizens. The obligation to maintain these public services is imposed both upon the City and the Association during the term of this MOU and the certification of the Association as the exclusive representative of the employees in this Unit.

B. Mutual Pledge of Accord

Inherent in the relationship between the City and its employees is the obligation of the City to deal justly and fairly with its employees and of the employees to cooperate with their fellow employees and the City in the performance of their public service obligation.

It is the purpose of this MOU to promote and ensure harmonious relations, cooperation and understanding between the City and the employees represented by the Association and to establish and maintain proper standards of wages, hours and other terms or conditions of employment.

C. No Strike - No Lockout

In consideration of the mutual desire of the parties to promote and ensure harmonious relations and in consideration of the Mutual Pledge of Accord, the City agrees that there shall be no lockout or the equivalent of members of the Association, and the Association and its members agree that there shall be no

strike or other concerted action resulting in the withholding of service by the members during the term of this MOU. Should such a strike or concerted action by Association members occur, the Association shall immediately instruct its members to return to work. It is mutually understood and agreed that the City has the absolute right to impose discipline and, in that regard, shall have the right to take disciplinary action, including discharge, against any employee who participates in any manner in any strike or slowdown, picketing in support of a strike or slowdown, or other concerted action resulting in the withholding of service by the members of this Unit. The curtailing of operations by the City in whole or part for operational or economic reasons shall not be construed as a lockout.

The provisions of this Paragraph C shall not detract in any way from any restrictions imposed by law on strikes and other types of work stoppages by public employees.

ARTICLE 1.10 EMPLOYER-EMPLOYEE RELATIONS

Meetings shall be scheduled at the request of a designated MCIA representative or the Management Representative of a department, office or bureau, for the purpose of informally discussing employer-employee-related issues.

ARTICLE 1.11 NON-DISCRIMINATION

The parties mutually reaffirm their respective policies of nondiscrimination in the treatment of any employee because of race, ethnicity, religion, creed, color, gender, sexual orientation, gender identity, genetic information, age, disability, union activity, national origin, ancestry, or under any applicable provisions of Federal or State laws.

ARTICLE 1.12 CONTRACT CONTINUATION UPON EXPIRATION OF MOU

ARTICLE 1.13 AMENDMENT TO MOU TO INCLUDE NEW CLASSES

The MCIA shall give to all heads of departments, offices or bureaus represented herein a written list of its MCIA Staff Representatives. The list shall be kept current by the MCIA.

This Article shall not be construed as a limitation on the authority of the head of the department, office or bureau to restrict access to areas designated "secure" or "confidential."

ARTICLE 2.4 USE OF CITY FACILITIES

The MCIA may use City facilities, on prior approval, for the purpose of holding meetings to the extent that such facilities can be made available, and to the extent that the use of

a facility will not interfere with departmental operations. Participating employees will attend said meetings on their own time.

Section III

It is further agreed that the MCIA Representative shall place a removal date on all materials to be posted.

ARTICLE 2.6 ACTIONS BY EMPLOYEE RELATIONS BOARD

Should any action(s) by the ERB prior to the expiration of this MOU result in any significant changes to the composition of this Unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required to ensure that the interests of the employees are protected.

ARTICLE 2.7 EMPLOYMENT OPPORTUNITIES

The Personnel Department will transmit (electronically or by US Mail) copies of all recruitment bulletins to MCIA. Tentative examination bulletins approved by the Head of the Selection Services Division of the Personnel Department will be mailed seven (7) calendar days prior to the date that said bulletins are scheduled to be approved by the Civil Service Commission. The bulletins, scheduled for Civil Service Commission approval, will be made available for pickup by a MCIA representative on Tuesdays after 3:30 p.m. in the Recruitment Division of the Personnel Department.

ARTICLE 2.8 PAYROLL DEDUCTIONS AND DUES

The following provisions shall apply to employees in classifications listed in the Appendices herein.

A. DUES

1. a. Payroll deductions as may be properly requested and lawfully permitted will be deducted by the Controller biweekly, in twenty-four (24) increments annually from the salary of each employee in the unit where the Union identified in writing to the Controller those individuals from whom union-related deduction(s) should be lawfully taken.

Said payroll deductions shall not be assessed in any biweekly pay period in which the affected employee does not work a minimum of twenty (20) hours. Such amounts shall be determined by the Union and implemented by Management in the first payroll period which starts thirty (30) calendar days after written notice of the new amount from the Union is received by the Controller.
- b. Employees who are members of the Union who previously elected to make union membership deductions prior to (1) starting an unpaid leave of absence, or (2) otherwise going on inactive status due to lack of scheduled hours, shall be reinstated as Union members with the automatic voluntary dues deductions immediately upon their return to work.
2. Notwithstanding any provisions of LAAC Section 4.203 to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than the Union will not be accepted by the Controller. For the purpose of this provision, qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.

3. Any employees in this Unit who have authorized Union dues deductions with the Union on the effective date of this MOU or at any time subsequent to the effective date of this MOU shall continue to have such dues deductions made by the City during the term of this MOU. Under current California law, the City has no input or control over the procedure for termination of union dues taken as payroll deductions from employees subject to this MOU, nor any legal ability to stop such deductions without the specific authorization of the Union. All procedures for termination of dues deductions outlined in this subsection are, therefore, the Union's statement of its unilateral dues termination procedures; the City's sole obligation is to process such dues cancellations received from the Union pursuant to this subsection, subject to any future court decisions applicable to dues termination procedures. Any employee in the Unit may terminate such Union dues during January 1st through January 31st of each calendar year of this MOU. Such notification shall be by postal mail in the form of a letter containing the following information: employee name, employee phone number, employee ID number, job classification, and department name. The Union will provide to the City the appropriate documentation to process these membership dues cancellations within ten (10) business days after the close of the withdrawal period. Employees with any questions relating to union membership dues shall direct those questions to the Union.

B. MANAGEMENT RESPONSIBILITIES

1. The Controller shall cause the amount of the dues or other proper deductions to be deducted from twenty-four (24) biweekly payroll checks of each employee in this Unit as specified by Union under the terms contained herein. "Dues," shall be the result of voluntary consent in the form of an authorization signed by the individual employee provided in the form of a list by the Union to the City.
 - a. Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees hereunder shall be made to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said dues, and/or deductions were deducted.
 - b. A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.
2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this Article, becomes a member of this Unit, within sixty (60) calendar days of such reassignment or transfer.

3. Management will provide the Union with unit membership information pursuant to the Unit Membership List Article of this MOU.
4. The Controller shall notify the Union within sixty (60) calendar days of any employee who, because of a change in employment status, is no longer a member of the Unit or subject to the provisions of this Article.

C. UNION RESPONSIBILITIES

Except for claims resulting from errors caused by defective City equipment, the Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Article.

D. CALIFORNIA GOVERNMENT CODE SECTION 1159 (a-b)

Existing California Government Code Section 1159 (a-b) states:

“(a) The Controller, a public employer, an employee organization, or any of their employees or agents, shall not be liable for, and shall have a complete defense to, any claims or actions under the law of this state for requiring, deducting, receiving, or retaining agency or fair share fees from public employees, and current or former public employees shall not have standing to pursue these claims or actions, if the fees were permitted at the time under the laws of this state then in force and paid, through payroll deduction or otherwise, prior to June 27, 2018.

“(b) This section shall apply to claims and actions pending on its effective date, as well as to claims and actions filed on or after that date.”

ARTICLE 2.9 POLITICAL ACTION COMMITTEE

At such time as the MCIA establishes an authorized political action committee, the Controller shall deduct any authorized amount per pay period from the salary to be paid to each MCIA member, identified on a list prepared and submitted by the MCIA, as a contribution to the Political Action Committee. MCIA members may voluntarily contribute an amount greater than fifty cents (\$.50) per pay period to an MCIA designated PAC; provided the MCIA provides the Controller timely notice of the members' names and the additional amount they wish to contribute on a biweekly basis. Such contribution is to be deducted from twenty-four (24) biweekly payroll checks annually.

Remittance of the amount of any MCIA PAC deductions shall be sent to the MCIA by the Controller within thirty (30) working days after the end of the month in which such deductions are made.

A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each MCIA PAC deduction taken. The Controller will deduct the aggregate amount of such fees on a biweekly basis.

Neither the employee nor the MCIA shall have any claim against the City for a MCIA PAC deduction made or not made, as the case may be, unless a claim of error is presented to the Controller in writing within thirty (30) calendar days after such deduction was or should have been made.

The MCIA indemnifies the City, its officers (present and former), and its employees (present and former) for, and holds them harmless against any liability or expense (including without limitation any judgment, reasonable attorney's fees, and costs of suit) arising out of the adoption or implementation of this Article.

ARTICLE 2.10 RELEASE TIME

The MCIA may request release time for the purposes of conducting MCIA business. The appointing authority may grant to elected officers or appointed representatives of the MCIA time off for employee organization representation activities. Such time shall not be unreasonably withheld if there is no critical impact upon department operations. Approval of requests for release for MCIA business shall be at the discretion of the appointing authority. Each appointing authority shall prepare a written agreement containing the terms and parameters of approved release time from their respective departments in accordance with the provisions of paragraphs A and B below.

A. Release Time for MCIA Board Members

Bargaining unit members elected to the MCIA Board shall be released for up to one day each month without suffering loss of seniority or any other benefit to attend monthly Board meetings. This provision shall be limited to elected officers of the MCIA. The CAO shall be notified in writing of the qualified elected Unit members following each election. The MCIA agrees to reimburse the City for the salary and benefits of the Unit members released under this provision.

B. Release Time – One-Year

The appointing authority may grant to elected officers or appointed representatives of the MCIA time off for employee organization representation activities. No more than three full time equivalent employee shall be allowed release time under this section of this Article.

1. The MCIA shall submit a written request for release of an employee to that employee's department Management. Such request shall be submitted at least twenty-one (21) calendar days prior to the effective release date, specifying the starting and ending dates of release. The MCIA shall provide a copy of said request to the CAO. The employee shall fill out any necessary paperwork required by Management for his/her release.
2. Whenever operationally feasible, the department shall grant the time off request. When it is not possible to immediately grant the request, the

department shall provide an explanation in writing and specify a date when the employee can be released.

3. Release time shall be granted for a maximum of one year in any three (3) year period unless additional release time is approved by the affected department and the CAO. The release time may be utilized on a part time basis in increments not to exceed one year per released employee.
4. The employee shall be paid the employee's current salary by the City while the employee is performing these duties for the MCIA.
5. Employees shall retain all of their existing benefits, including, but not limited to medical, dental, deferred compensation plan, retirement benefits and seniority accrual in their civil service class.
6. The MCIA shall reimburse the City for all salary and benefits costs incurred as a result of release time, including but not limited to, vacation, sick leave, compensated time off, retirement, short-term disability, life insurance, medical, dental and workers' compensation. The benefits cost shall be based on the benefits rates provided by the CAO as contained in the City Budget in effect during the period of release time, and the cost of other benefits approved by the Joint Labor Management Benefits Committee that become effective during this period.
7. Payment of any overtime worked while on release time shall be the responsibility of the MCIA.
8. The releasing City department shall bill the MCIA and MCIA shall make payments to the department of all reimbursable costs identified in item 6 above.
9. An employee on release time shall submit weekly timesheets signed by the employee and his/her supervisor to his/her respective Personnel Director specifying the number of hours worked and use of any sick leave, vacation time or compensated time off.
10. Should an employee incur a work-related injury while on release time, he/she shall remain on release time with the MCIA during the period of injury-on duty (IOD), or until the release time has ended, and shall continue to be counted in determining the employee maximum, as provided for above. The MCIA will reimburse the City for all IOD and Workers' Compensation related costs.
11. When the employee returns from release time, he/she shall return to his/her civil service classification and pay grade at the time of release.

12. The employee must have passed probation in his/her current class to be eligible for release time.
13. The MCIA shall indemnify, defend and hold the City and its officers and employees harmless against any and all claims, suits, demands or other forms of liability that might arise out of or result from any action taken by an employee in the service of the MCIA.
14. When the day to day operations of the MCIA is run by elected officers and the release is for representation purposes, the request is exempt from the requirements under B1 and 2.

The CAO shall maintain a list of employees who have been approved for release time and the approved duration.

ARTICLE 2.11 NEW EMPLOYEE ORIENTATION

The City shall provide written notice of hiring a new employee in a classification represented by MCIA in accordance with Article 2.1. Each Department shall provide MCIA access to new employee orientations. Notice of scheduled orientations shall be provided at least 10 calendar days prior to the orientation. MCIA and the City may agree to group or individual meetings between new employees and MCIA representatives on City time for a maximum uninterrupted time of up to 60 minutes that shall not be shared with any other unions, organizations, and/or presentations. These meetings shall occur no later than 60 days from the date of hire unless otherwise agreed to by the parties. MCIA Representatives may provide the new employee any information or materials about MCIA, its programs, benefits and becoming a member. Employee attendance at a new employee orientation shall be mandatory for the entire agenda.

Two MCIA representatives may be released to conduct or participate in new employee orientation meetings. Permission shall be granted to the representative by the employing department unless such absence would cause an undue interruption of work. If such permission cannot be granted, the employing department of the new employee and/or representative shall provide the Association an alternative presentation date and time that is not more than five (5) business days beyond the initial new employee orientation date.

ARTICLE 3.0 GRIEVANCES

ARTICLE 3.1 GRIEVANCE PROCEDURE

STATEMENT OF INTENT

Management and the Union have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an

adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

DEFINITION

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. The parties agree that the following shall not be subject to the grievance procedure:

- A. An impasse in meeting and conferring upon the terms of a proposed MOU.
- B. Any matter for which an administrative remedy is provided before the Civil Service Commission.
- C. Any issue that the parties agree to refer to another administrative resolution process.

GENERAL PROVISIONS

A. BINDING ELECTION OF PROCEDURE

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the ERB, the employee must elect to pursue the matter under either the grievance procedure herein provided, or by action before the ERB. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

B. GRIEVANCE PROCESS RIGHTS

No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.

C. TIME, TIME LIMITS AND WAIVERS

"Business days" shall be defined as Monday thru Friday, exclusive of City Holidays, as defined in Article 6.5 of this MOU.

The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.

D. MEDIATION

At any step following the Informal Discussion in the grievance process, the Union or Management may request mediation, by letter to the department's personnel officer. Within ten (10) business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the ERB appoint a mediator. The ERB shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, Union and Management may jointly agree to a mediator selected by the Executive Director of the ERB. The fees of such mediator shall be shared equally by Union and Management.

The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.

If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.

Notwithstanding the above, and Section 4.865 of the Employee Relations Ordinance, the parties may mutually agree to accept the opinion of the mediator as binding.

If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

E. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process.

- Suspensions without pay
- Allegations of failure to accommodate medical restrictions
- Allegations of retaliation
- Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the Union and Management.

GRIEVANCE PROCESS

STEP 1 - ISSUE IDENTIFICATION AND INFORMAL DISCUSSION

The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.

The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

STEP 2

If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of Management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the grievant.

A grievance is owned by the Union. A department must inform the Union of a grievance in writing at this step. The manager, or appropriate designee, shall meet with the grievant within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the grievant and the Union within ten (10) business days of meeting with the grievant. Failure of management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

STEP 3

If the grievance is not resolved at Step 2, the grievant may serve a written appeal to the General Manager, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall meet with the grievant within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit information on possible alternative solutions. A written response will be provided to the grievant within twenty (20) business days from the date of meeting with the aggrieved employee.

STEP 4 - ARBITRATION

If the written response at Step 3, or mediation, does not settle the grievance, or Management fails to provide a written response within twenty (20) business days of the Step 3 meeting, the Union may elect to serve a written request for arbitration with the ERB. A copy of this notice shall be served upon the department's personnel officer. The request for arbitration must be filed with the ERB within twenty (20) business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3 or 3A. Failure of the Union to serve a written request for arbitration with the ERB within said period shall constitute a waiver of the grievance.

If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the ERB, within ten (10) business days following receipt of said list. Failure of the Union to notify the ERB of the selected arbitrator within sixty (60) business days of receipt of said list shall constitute a waiver of the grievance.

- A. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the ERB, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.
- B. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
- C. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES

The Union may elect to file a grievance on behalf of two (2) or more employees. The facts and issues of the grievance must be the same. In cases where the issues identified in the grievance affect more employees than are identified as grievants, the parties may agree that the remedy may be applied to those employees upon their consent, if needed.

PROCEDURE:

- A. The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within twenty (20) business days following the day the

issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form prior to the meeting with the General Manager.

- B. The General Manager, or designee, shall provide written notification to the Employee Relations Division of the CAO of the receipt of the grievance. The General Manager, or designee, shall meet with the Union within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.
- C. If the grievance is not resolved in step B, the Union may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

In order to provide an effective mechanism whereby disputes between the MCIA and Management concerning interpretation or application of the general provisions in Articles 1-4 of this MOU affecting the bargaining unit, may be resolved through the following agreed upon procedures:

- A. The Union shall file a written preliminary request for review to the Employee Relations Division of the Office of the City Administrative Officer (CAO). The CAO shall have 15 business days to address the issue with the Department(s) and the Union. If the issue is not resolved to the satisfaction of both parties within the 15 business days, the grievance shall proceed as indicated below.
- B. The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within 20 business days if the issue is not resolved in step A. To the extent possible, the filing shall include the issue of the grievance and the proposed solutions.
- C. The General Manager, or designee, shall provide written notification to the Employee Relations Division of the CAO of the receipt of the grievance. The General Manager, or designee, shall meet with the Union within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's

Employee Relations Division in the meeting with the union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.

- D. If the grievance is not resolved in step C, the Union may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

ARTICLE 3.2 UNION STEWARDS

The MCIA may designate up to 10% of the employees in the Unit to act as union stewards and shall provide all departments, offices or bureaus who are parties to this MOU with a written list of employees who have been so designated. The MCIA will update the list at least quarterly. A union steward, if so requested, may represent a grievant at all levels of the grievance procedure.

However, said representative will receive paid time off only if he/she is a member of the MCIA and in the same Unit as the grievant; is employed by the same department, office or bureau as the grievant; and, is employed within a reasonable distance from the work location of the grievant.

If a union steward must leave his/her work location to represent a grievant, he/she shall first obtain permission from his/her supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. Denial of permission to leave at the time requested will automatically constitute an extension of time limits provided in the grievance procedure herein equal to the amount of the delay.

Time spent on grievances outside of regular working hours of the employee or his/her representative shall not be counted as work time for any purpose. Whenever a grievance is to be presented during the working hours of the grievant and/or his/her representative, only that amount of time necessary to bring about a prompt disposition of the grievance will be allowed.

The designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the FLSA. Management may assign employees to work a five/forty, four/ten, nine/eighty, or other work schedule. Management shall have the right to refuse an employee's request to work a four/ten, nine/eighty, or other modified work schedule, and to require the reversion to a five/forty work schedule, providing that the exercise of such right is not arbitrary, capricious or discriminatory. The parties further agree that Management may require employees to change their work schedules (working hours, or change days off, except the split day) within the same FLSA workweek.

Employees on a nine/eighty modified work schedule shall have designated a regular day off (also known as 9/80 day off or RDO) which shall remain fixed. - Appendix B – July 7, 2019 (structural changes)
- Appendix C – January 19, 2020
- Appendix D – July 5, 2020
- Appendix E – July 4, 2021
- Appendix F – June 19, 2022

Note: The operative dates for all Appendices coincide with the beginning of payroll periods.

A. SALARY STEPS

1. Employees hired into trainee-level positions (Targeted Local Hire) shall be hired at Step 1 and shall remain on Step 1 for the duration of a twelve (12) month probationary period. This MOU does not utilize Targeted Local Hire.

ARTICLE 5.3 OVERTIME

Section I - Assignment of Overtime

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification, in the same organizational unit and work location. However, Management may consider special skills required to perform particular work. The parties understand that no employee shall work overtime without prior approval from his or her supervisor and that unofficial overtime "white time" is absolutely prohibited. FLSA non-exempt employees may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor consistent with department policy. Failure to secure prior approval may result in discipline.

Section II - Rate and Method of Overtime Compensation - (FLSA) Non-Exempt Employees

Compensation for overtime shall be for all hours worked in excess of forty (40) hours in a workweek including all absences with pay authorized by law. Compensation for overtime worked by employees in classifications listed in the Appendices attached hereto shall be in time off at the rate of one-and-one-half (1½) hours for each hour of overtime worked or in cash at one and one-half times (1½) the employee's regular rate of pay, at the discretion of Management.

Section III - Compensatory Time Off

Pursuant to Section II above, employees shall be permitted to accumulate up to eighty (80) hours of compensated time off (CTO). On occasion, employees may accumulate CTO in excess of eighty (80) hours for a temporary period of time. If an employee does not schedule and take CTO over eighty (80) hours prior to the end of the fiscal year, Management may require employees to use CTO prior to the end of the fiscal year; require employees to use such time in lieu of vacation (unless the mandatory use of CTO would result in the loss of accumulated vacation time) or other leave time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the CTO hours in excess of eighty (80), Management may extend the time limit for a period not to exceed one year.

In accordance with FLSA, no employee shall lose CTO. An employee who has requested the use of CTO must be permitted by Management to use such time within a reasonable time period after making the request unless the use of the CTO within a reasonable period unduly disrupts the operations of the City department. This standard does not apply to non-FLSA overtime (i.e. overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime).

Under no circumstances shall compensated time off (CTO) in excess of two hundred forty (240) hours be accumulated.

ARTICLE 5.4 SHIFT DIFFERENTIAL

An employee required to work more than 50% of his/her time, in any one day between the hours of 5:00 p.m. and 8:00 a.m., shall receive for each such day worked, salary at the second premium level rate (5.5%) above the appropriate step of the salary range prescribed for his/her class. The procedure for the payment of adjusted compensation for work performed under the provision of Note "N" shall be in accordance with LAAC Sections 4.72, and 4.75.

ARTICLE 5.5 BILINGUAL DIFFERENTIAL

Whenever an appointing authority determines that it is necessary or desirable that a position be filled by a person able to converse fluently in a language other than English, or write and interpret a language other than English, the appointing authority shall transmit to the Controller a written statement approving payment of a bilingual premium, as provided by this Article to the person occupying such a position and possessing such bilingual skills.

After authorizing payment of a bilingual premium, the appointing authority shall certify to the Controller the name of an employee eligible for a bilingual premium and the Personnel Department shall certify to the Controller that the employee has qualified under its standards of fluency and proficiency for said language.

Effective the first full pay period following City Council adoption, employees assigned to converse in a language other than English shall receive a one hundred dollar (\$100.00) biweekly pensionable bonus. Employees assigned to interpret (read and write) a language other than English shall receive a two hundred (\$200.00) biweekly pensionable bonus.

Employees receiving the pensionable bilingual 2.75% (one premium level) or pensionable 5.5% (two premium levels) bonus prior to November 13, 2016, shall continue to receive the bonus at a one or two premium level rate. Management shall not be capricious and arbitrary in the removal of this bonus. Persons in Departments who require requalification in a new assignment to receive the bonus and are currently being paid as premium levels shall continue to do so until no longer assigned to speak, read, or write in a language other than English.

Compensation provided for in this Article shall be retroactive to the start of the first pay period following the employee having been certified for bilingual pay in a bilingual position assignment.

ARTICLE 5.6 CIVIC DUTY

Whenever an employee is served with a subpoena by a court of competent jurisdiction which compels his/her presence as a witness during his/her normal working period, unless he/she is a party to the litigation or an expert witness, such employee shall be

granted time off with pay in the amount of the difference between the employee's regular earnings and any amount he/she receives for such appearance. This Article is not applicable to appearances for which the employee receives compensation in excess of his/her regular earnings.

- B. During the time the employee is actually reporting to the Court for jury service, the head of the department, office or bureau or his/her designate will convert the employee's usual shift to a regular five-day, Monday through Friday day shift. However, employees may choose to remain on an alternative work schedule (9/80, 4/10, or 3/12) or on an off-watch schedule during jury service with the understanding that jury service on a regularly scheduled day off (RDO) will not be compensated. Employees must report for work on any day of his/her converted shift that he/she is not required by the Court to perform jury service.
- C. Compensation for mileage paid by the courts for jury service shall be retained by the employee.
- D. Employees performing jury service on a designated City holiday shall be compensated for the designated City holiday; additional time off for that holiday shall not be provided.

- C. During the term of this MOU, the cents per mile reimbursement shall be adjusted to an amount equal to the annual standard car mileage allowance as determined by the Internal Revenue Service. - D. Pursuant to LAAC Section 4.231, each employee qualifying for reimbursement under this Article shall be guaranteed, each pay period, mileage reimbursement equal to the number of days in the pay period for which the employee receives reimbursement under the provision of LAAC Section 4.230, times ten miles.

2. Court appearances commencing two (2) hours or less after the employee's regularly assigned shift ends. Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the court appearance with the same noon recess provisions as outlined in Paragraph A.2. above.
3. Court appearances or on-call statuses that begin during an employee's regularly assigned shift. Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the court

The step advancement date shall be extended one working day for each working day absence (or one hour for each hour of aggregated uncompensated absence in excess of 128 hours). Employees who are injured on duty and are compensated in accordance with Division IV of the Labor Code of the State of California and Article 7 of Division 4 of the LAAC shall not have their step advancement date changed due to their workers' compensation status.

D. Consecutive Appointments within a 12 Month Period

The higher compensation shall begin on the 11th working day of the assignment and shall continue thereafter for each day that the employee works in such assignment. Each such temporary assignment shall require completion of a new qualifying period each fiscal year, except when such assignment is either continuous or in the same City department, office or bureau.

Whenever management assigns an employee on a temporary basis to perform the duties of a vacant higher level position, such employee shall become eligible for additional compensation on the first day of said assignment.

The employee qualifying for additional compensation shall receive pensionable salary at the second premium level (5.5%) above the appropriate biweekly rate for his/her class for each day on duty in such assignment. During the term of this MOU, the City will provide benefits in accordance with the Civilian Modified Flexible Benefits Program (LAWell) and any modifications thereto as recommended by the Joint Labor-Management Benefits Committee and approved by the City Council.

Management agrees to contribute a monthly sum not to exceed the Kaiser family rate ("maximum monthly health care subsidy") per full-time employee toward the cost of a City-sponsored health plan for employees who are members of the Los Angeles City Employees' Retirement System (LACERS).

During the term of this MOU, Management's monthly subsidy for full-time employees shall increase by the increase in the Kaiser family rate. Increases in this monthly subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

The LACERS Board of Administration may adjust the subsidy annually by no more than the increase in the Kaiser two-party rate or the medical trend inflation rate.

Agreements reached between Management and organizations whereby a majority of the members in LACERS are affected shall be recommended to the Council by the CAO as affecting the membership of all employees in LACERS. Such modifications need not be included in the MOU in order to be considered appropriately negotiated.

Affected organizations shall be given the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.

If agreement is not reached between Management and the organizations representing a majority of the members in LACERS as to whether a particular proposal constitutes either a major or a minor modification, the proposal shall be treated as a major modification.

Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.
