## SUMMARY

At its meeting of March 9, 2020, the Chair of the Immigrant Affairs, Civil Rights, and Equity Committee considered CAO and Chief Legislative Analyst reports relative to an update and the status of the Los Angeles Justice Fund. The Chief Legislative Analyst reports that on October 3, 2019, the Immigrant Affairs, Civil Rights and Equity Committee instructed the Chief Legislative Analyst to work with partners to identify efficiencies in the LAJF including options on how to continue to fund the LAJF, review how other cities disburse funds for legal representation

services, and report on the model implemented by Councilmember Price in which funding was provided to non-profit organizations to provide immigration-related services. At the direction of the Committee, the Chief Legislative Analyst held several meetings with stakeholders, reviewed legal representation models in other cities, and analyzed quarterly reports to determine whether any changes are needed to improve the program.

After providing an opportunity for public comment, the Chair of the Immigrant Affairs, Civil Rights, and Equity Committee approved the recommendations found in the Chief Legislative Analyst's report as amended and noted and filed the CAO's report, as stated above. Subsequently, on August 10, 2020, after providing an opportunity for public comment, the Budget and Finance Committee concurred with the Immigrant Affairs, Civil Rights, and Equity Committee prior action, as stated above.

This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
