THE PEOPLE OF THE CITY OF LOS ANGELES
DO ORDAIN AS FOLLOWS:

Section 1. The foregoing recitals are true and correct.

Sec. 2. The Community Facilities District is hereby established pursuant to the Act.

Sec. 3. The Community Facilities District is hereby named "City of Los Angeles Community Facilities District No. 11 (Ponte Vista)."

Sec. 4. The public facilities (the "Facilities") proposed to be financed by the Community Facilities District pursuant to the Act are described under the caption "Facilities" on Exhibit A hereto, which is by this reference incorporated herein. Those Facilities proposed to be purchased as completed public facilities are described under the caption "Facilities to be Purchased" on Exhibit A hereto. The incidental expenses proposed to be incurred are identified under the caption "Incidental Expenses" on Exhibit A hereto. All or any portion of the Facilities may be financed through a financing plan, including, but not limited to, a lease, lease-purchase, or installment-purchase arrangement.

Sec. 5. The proposed special tax to be levied within the Community Facilities District has not been precluded by majority protest pursuant to Section 53324 of the Act.

Sec. 6. Except where funds are otherwise available, a special tax sufficient to pay for all Facilities, secured by recordation of a continuing lien against all nonexempt real property in the Community Facilities District, will be annually levied within the Community Facilities District. The rate and method of apportionment of the special tax (the "Rate and Method"), in sufficient detail to allow each landowner within the proposed Community Facilities District to estimate the maximum amount that he or she will have to pay, is described in Exhibit B attached hereto, which is by this reference incorporated herein. The conditions under which the obligation to pay the special tax may be prepaid and permanently satisfied are specified in the Rate and Method. The special tax will be collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as the City Council shall determine, including direct billing of the affected property owners.

The tax year after which no further special tax will be levied against any parcel used for private residential purposes is specified in the Rate and Method. Under no circumstances shall the special tax levied in any fiscal year against any parcel used for private residential purposes be increased as a consequence of delinquency or default by the owner or owners of any other parcel or parcels within the Community Facilities District by more than 10% above the amount that would have been levied in that fiscal year had there never been any such delinquencies or defaults. For purposes of this paragraph, a parcel shall be considered "used for private residential purposes" not later than the date on which an occupancy permit for private residential use is issued.

Sec. 7. Pursuant to Section 53344.1 of the Act, the City Council hereby reserves to itself the right and authority to allow any interested owner of property within the Community Facilities District, subject to the provisions of said Section 53344.1 and to those conditions as it may impose, and any applicable prepayment penalties as prescribed in the bond indenture or comparable instrument or document, to tender to the Community Facilities District treasurer in full payment or part payment of any installment of the special taxes or the interest or penalties thereon which may be due or delinquent, but for which a bill has been received, any bond or other obligation secured thereby, the bond or other obligation to be taken at par and credit to be given for the accrued interest shown thereby computed to the date of tender.

Sec. 8. The name, address, and telephone number of the office which will be responsible for preparing annually a current roll of special tax levy obligations by assessor's parcel number and which will be responsible for estimating further special tax levies pursuant to Section 53340.2 of the Act are as follows: City Administrative Officer, Debt Management Group, 200 North Main Street, Room 1500, Los Angeles, California 90012, (213) 473-7500.

Sec. 9. Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the California Streets and Highways Code, a continuing lien to secure each levy of the special tax shall attach to all nonexempt real property in the Community Facilities District and this lien shall continue in force and effect until the special tax obligation is prepaid and permanently satisfied and the lien canceled in accordance with law or until collection of the tax by the City Council ceases.

Sec. 10. The boundary map of the Community Facilities District was recorded in the County of Los Angeles on November 6, 2020, as document number 20201414066 in the office of the County Recorder of the County of Los Angeles.

Sec. 11. The annual appropriations limit, as defined by Subdivision (h) of Section 8 of Article XIII B of the California Constitution, of the Community Facilities District is hereby established at \$30,000,000.

Sec. 12. Pursuant to the provisions of the Act, the levy of the special tax and a proposition to establish the appropriations limit specified above shall be subject to the approval of the qualified electors of the Community Facilities District at a special election. The City Council hereby finds and determines that no persons were registered to vote within the territory of the proposed Community Facilities District as of October 30, 2020, and that 12 or more persons have not been registered to vote within the territory of the Community Facilities District for each of the 90 days preceding the close of the public hearing held by the City Council on the establishment of the Community Facilities District. Accordingly, pursuant to Section 53326 of the Act, the vote shall be by the landowners of the Community Facilities District and each person who is the owner of land as of the close of said public hearing, or the authorized representative thereof, shall have one vote for each acre or portion of an acre that he or she owns within the Community Facilities District not exempt from the special tax. The voting procedure shall be by mailed or hand-delivered ballot.

Sec. 13. SoCal San Pedro has heretofore advanced certain funds, and may advance additional funds, which have been or may be used to pay costs incurred in connection with the establishment of the Community Facilities District and the issuance of special tax bonds thereby. The City Council has previously approved the acceptance of such funds for the purpose of paying costs incurred in connection with the establishment of the Community Facilities District and the issuance of special tax bonds thereby. The City Council proposes to repay all or a portion of such funds expended for such purpose, solely from the proceeds of such bonds, pursuant to the Deposit Agreement. The Deposit Agreement is hereby incorporated herein as though set forth in full herein.

Sec. 14. The City Council hereby finds and determines that all proceedings up to and including the adoption of this ordinance were valid and in conformity with the requirements of the Act. In accordance with Section 53325.1 of the Act, such finding shall be final and conclusive.

Sec. 15. The officers, employees, and agents of the City are hereby authorized and directed to take all actions and do all things which they, or any of them, may deem necessary or desirable to accomplish the purposes of this ordinance and not inconsistent with the provisions hereof.

Approved Property, Undeveloped Property and Other Taxable Property</p> <p>The Maximum Special Tax for Approved Property, Undeveloped Property, and Other Taxable Property shall be \$93,908 per Acre.</p> <p>D. <u>METHOD OF APPORTIONMENT OF THE SPECIAL TAX</u></p> <p>Commencing with Fiscal Year 2021-2022 and for each following Fiscal Year, the Council shall levy the Special Tax until the amount of Special Taxes levied equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:</p> <p><u>First:</u> The Special Tax shall be levied Proportionately on each Assessor’s Parcel of Developed Property at up to 100% of the applicable Assigned Special Tax;</p> <p><u>Second:</u> If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, then the Special Tax shall be levied Proportionately on each Assessor’s Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property;</p> <p><u>Third:</u> If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor’s Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property;</p> <p><u>Fourth:</u> If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor’s Parcel of Taxable Property Owner Association Property at up to the Maximum Special Tax for Other Taxable Property;</p> <p><u>Fifth:</u> If additional monies are needed to satisfy the Special Tax Requirement after the first four steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor’s Parcel of Taxable Public Property at up to the Maximum Special Tax for Other Taxable Property.</p> <p><u>Sixth:</u> If additional monies are needed to satisfy the Special Tax Requirement after the first five steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor’s Parcel of Taxable Public Property at up to the Maximum Special Tax for Other Taxable Property.</p> <p>Notwithstanding the above, pursuant to Section 53321(d)(3) of the California Government Code, under no circumstances shall the Special Tax levied in any Fiscal Year against any Assessor’s Parcel in CFD No. 11 for which an occupancy permit for private residential use has been issued be increased as a consequence of delinquency or default by the owner or owners of any other Assessor’s Parcel(s) within CFD No. 11 by more than 10% above the amount that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults. To the extent that the levy of the Special Tax on Assessor’s Parcels of residential property is limited by the provision in the previous sentence, the levy of the Special Tax on all of the Assessor’s Parcels of non-residential property within CFD No. 11 shall continue to increase in equal percentages at up to 100% of the Maximum Special Tax.</p> <p>E. <u>EXEMPTIONS</u></p> <p>No Special Tax shall be levied on up to a total of 23.6 Acres of Property Owner Association Property and Public Property, except as otherwise provided in Sections 53317.3, 53317.5, and 53340.1 of the Act.</p> <p>All such property cited above will be allocated on a first-in-time basis separately for Property Owners Association Property and Public Property. If the total number of Acres of land conveyed or dedicated exceeds the amounts stated above, then the Acres exceeding such totals shall be taxed at the applicable rate set forth in Section C above and to the extent set forth in Section D above.</p> <p>No Special Tax shall be levied on any Assessor’s Parcel in any Fiscal Year in which such Assessor’s Parcel is classified as Exempt Welfare Exemption Property.</p> <p>F. <u>REVIEW/APPEAL COMMITTEE</u></p> <p>Any landowner, any non-exempt lessee or holder of a possessory interest in property otherwise exempt because it is exempt property of a public agency, and any lessee on a triple net lease may file a written appeal of the Special Tax on its property with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall make a recommendation to the Council to eliminate or reduce the Special Tax on the appellant’s property and/or to provide a refund to appellant. The approval of the Council or its designee must be obtained prior to any such elimination or reduction. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the Council by filing a written notice of appeal with the City Clerk, provided that appellant is current in his/her payments of Special Taxes. The appeal to the Council must specify the reasons for its disagreement with the CFD Administrator’s determination. The City Clerk shall schedule the appeal to be heard before the appropriate Council committee and/or the Council.</p> <p>Interpretations may be made by the Council by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment.</p> <p>G. <u>MANNER OF COLLECTION</u></p> <p>The Special Tax shall be collected in the same manner and at the same time as ordinary <i>ad valorem</i> property taxes; provided, however, that CFD No. 11 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor’s Parcels as permitted by the Act.</p> <p>H. <u>PREPAYMENT OF SPECIAL TAX</u></p> <p>The following definitions apply to this Section H:</p>	<p>Administrator that is reasonably comparable to the <u>Engineering News-Record</u> Building Cost Index for the City of Los Angeles.</p> <p>"Future Facilities Costs" means the CFD Public Facilities minus (i) public facility costs previously paid from the Construction Fund; (ii) moneys currently on deposit in the Construction Fund; and (iii) moneys currently on deposit in an escrow fund, if any, that are expected to be available to finance public facilities costs.</p> <p>"Outstanding Bonds" means all Previously Issued Bonds which are deemed to be outstanding under the Indenture after the first interest and/or principal payment date following the current Fiscal Year.</p> <p>"Previously Issued Bonds" means all Bonds that have been issued by CFD No. 11 prior to the date of prepayment.</p> <p>1. An owner of an Assessor’s Parcel intending to prepay the Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 60 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount of such Assessor’s Parcel. The CFD Administrator shall charge a fee to the owner requesting prepayment for providing this figure. Prepayment must be made not less than 75 days prior to the next occurring date that notice of redemption of Bonds from the proceeds of such prepayment may be given to the Trustee pursuant to the Indenture.</p> <p>The Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):</p> <table><tr><td></td><td>Bond Redemption Amount</td></tr><tr><td>plus</td><td>Redemption Premium</td></tr><tr><td>plus</td><td>Future Facilities Amount</td></tr><tr><td>plus</td><td>Defeasance Amount</td></tr><tr><td>plus</td><td>Administrative Fees and Expenses</td></tr><tr><td>less</td><td>Reserve Fund Credit</td></tr><tr><td>Total: equals</td><td>Prepayment Amount</td></tr></table> <p>As of the proposed date of prepayment, the Prepayment Amount shall be calculated as follows:</p> <p><u>Paragraph No.:</u></p> <ol style="list-style-type: none">Confirm that no Special Tax delinquencies apply to such Assessor’s Parcel.For Assessor’s Parcels of Developed Property compute the Assigned Special Tax and Backup Special Tax applicable for the Assessor’s Parcel to be prepaid. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 12 shall be retained by CFD No. 11. The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Bonds. In such cases, the increment above \$5,000 or integral multiple thereof shall be retained in the appropriate fund established under the Indenture to be used with the next prepayment of Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year’s Special Tax levy as determined under paragraph 9 (above), the CFD Administrator shall remove the current Fiscal Year’s Special Tax levy for such Assessor’s Parcel from the County tax rolls. With respect to any Assessor’s Parcel that is prepaid, the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien on such Assessor’s Parcel, and the obligation of such Assessor’s Parcel to pay the Special Tax shall cease.

2. Prepayment in Part

The Maximum Special Tax on an Assessor’s Parcel of Developed Property or an Assessor’s Parcel of Approved Property and/or Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated according to the following formula:

PP = (P_E – A) x F + A

These terms have the following meaning:

P_P = the partial prepayment
P_E = the Prepayment Amount calculated according to Section H.1
F = the percent by which the owner of the Assessor’s Parcel(s) is partially prepaying the Maximum Annual Special Tax.
A = the Administration Fees and Expenses from Section H.1

The owner of an Assessor’s Parcel who desires to partially prepay the Maximum Special Tax shall notify the CFD Administrator of such owner's intent to partially prepay the Maximum Special Tax and the percentage by which the Maximum Special Tax shall be prepaid. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Maximum Special Tax for an Assessor’s Parcel within 30 days of the request and will charge a fee to the owner requesting prepayment for providing this figure.

With respect to any Assessor’s Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Paragraph 15 of Section H.1. and (ii) indicate in the records of CFD No. 11 that there has been a partial prepayment of the Maximum Special Tax and that a portion of the Maximum Special Tax equal to the outstanding percentage (1.00 - F) of the remaining Maximum Special Tax shall continue to be authorized to be levied on such Assessor’s Parcel pursuant to Section D.

Notwithstanding the foregoing, no full or partial Special Tax prepayment shall be allowed unless the amount of Assigned Special Taxes that may be levied on Taxable Property within CFD No. 11 both prior to and after the proposed prepayment, less expected Administrative Expenses, is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

I. TERM OF SPECIAL TAX

The Special Tax shall be levied each Fiscal Year for the period necessary to fully satisfy the Special Tax Requirement for each Fiscal Year until no Bonds are outstanding, but in no event shall it be levied after Fiscal Year 2059-60.

J. SPECIAL TAX REDUCTION

"Contractual Encumbrances" means (a) a voluntary contractual assessment established and levied on an individual Assessor’s Parcel pursuant to Chapter 29 of Part 3 of Division 7 of the California Streets and Highways Code (commencing with Section 5898.10 et seq., as amended from time to time), (b) a special tax established and levied on an individual Assessor’s Parcel pursuant to Section 53328.1 of the California Government Code and related provisions of the Act, as amended from time to time, and (c) any other governmental fee, charge, tax or assessment established and levied on an individual Assessor’s Parcel on the County tax roll pursuant to a contractual agreement or other voluntary consent by the owner thereof.

"Independent Price Point Consultant" means any consultant or firm of such consultants selected by CFD No. 11 that (a) has substantial experience in performing price point studies for residential units within community facilities districts or otherwise estimating or confirming pricing for residential units in community facilities districts, (b) is well versed in analyzing economic and real estate data that relates to the pricing of residential units in community facilities districts, (c) is in fact independent and not under the control of CFD No. 11 or the City, (d) does not have any substantial interest, direct or indirect, with or in (i) CFD No. 11, (ii) the City, (iii) any owner of real property in CFD No. 11, or (iv) any real property in CFD No. 11, and (e) is not connected with CFD No. 11 or the City as an officer or employee thereof, but who may be regularly retained to make reports to CFD No. 11 or the City.

"Plan Type" means a discrete residential plan type (generally consisting of residential dwelling units that share a common product type (e.g., single family, multi-family, senior) and that have nearly identical amounts of living area) that is constructed or expected to be constructed within CFD No. 11 as identified in the Price Point Study.

"Price Point" means, with respect to the residential dwelling units in each Plan Type, as of any date, the minimum base price of such residential dwelling units, estimated as of such date, including any incentives and concessions, but excluding potential appreciation or premiums, options or upgrades, based upon their actual or expected characteristics, such as living area and lot size.

"Price Point Study" means a price point study or a letter updating a previous price point study, which (a) has been prepared by an Independent Price Point Consultant, (b) sets forth the Plan Types constructed or expected to be constructed within CFD No. 11, (c) sets forth the estimated number of constructed and expected residential dwelling units for each Plan Type, (d) sets forth such Independent Price Point Consultant’s estimate of the Price Point for each Plan Type and (e) uses a date for establishing such Price Points that is no earlier than 60 days prior to the date the Price Point Study is delivered to the CFD Administrator pursuant to Section D herein.

"Total Effective Tax Rate" means, for a Plan Type, the quotient of (a) the Total Tax and Assessment Obligation for such Plan Type divided by (b) the Price Point for such Plan Type, converted to a percentage.

"Total Tax and Assessment Obligation" means, with respect to a Plan Type, for the Fiscal Year in which the calculation is being performed, the quotient of (a) the sum of the Assigned Special Tax and estimated ad valorem property taxes, special assessments, special taxes for any overlapping community facilities districts, and any other governmental taxes, fees and charges included on the County tax roll (excluding any Contractual Encumbrances) levied or imposed on all residential dwelling units of such Plan Type in such Fiscal Year or that would have been levied or imposed on all such residential dwelling units had such residential dwelling units been completed, sold and subject to such levies and impositions in such Fiscal Year divided by (b) the number of residential dwelling units in such Plan Type. The Total Tax and Assessment Obligation for each Plan Type shall be calculated based on the applicable Residential Floor Area, Price Point, and number of constructed and expected residential dwelling units for such Plan Type as identified in the Price Point Study.

Prior to the issuance of the first series of Bonds, the following steps shall be taken:

Step No.:

1. At least 30 days prior to the expected issuance date of the first series of Bonds, CFD No. 11 shall cause a Price Point Study to be delivered to the CFD Administrator.

- As soon as practicable after receipt of the Price Point Study, the CFD Administrator shall calculate the Total Effective Tax Rate for each Plan Type.
- Separately, for each Land Use Class, the CFD Administrator shall determine whether or not the Total Effective Tax Rate for all Plan Types in a Land Use Class is less than or equal to 2.00%.
 - If the Total Effective Tax Rate for all Plan Types in a Land Use Class is less than or equal to 2.00%, then there shall be no change in the Assigned Special Tax for such Land Use Class.
 - If the Total Effective Tax Rate for any Plan Type in a Land Use Class is greater than 2.00%, the CFD Administrator shall calculate a revised Assigned Special Total Effective Tax Rate for any Plan Type in such Land Use Class to exceed 2.00%.
 - If the revised Assigned Special Tax amounts result in a situation in which the Assigned Special Tax for a particular Land Use Class of Condominium Property or Other Residential Property would be less than the Assigned Special Tax for the numerical Land Use Class of Condominium Property or Other Residential Property directly above it (e.g., the Assigned Special Tax for Land Use Class 1 is less than the Assigned Special Tax for Land Use Class 2), then the Assigned Special Tax for the lower numbered Land Use Class shall be revised to be equal to the Assigned Special Tax for the higher numbered Land Use Class (e.g., the Assigned Special Tax for Land Use Class 1 shall be revised to be equal to the Assigned Special Tax for Land Use Class 2.)
- If the Assigned Special Tax for any Land Use Class is revised pursuant to step 3.b. or 3.c. above, the CFD Administrator shall calculate a revised Backup Special Tax for all property within CFD No. 11. The revised Backup Special Tax shall be an amount (rounded to the nearest whole dollar) equal to the Backup Special Tax as set forth in Section C.1.(c), reduced by a percentage equal to the weighted average percentage reduction in the Assigned Special Taxes for all Land Use Classes of Residential Property resulting from the calculations in steps 3.a. through 3.c. above. The weighted average percentage shall be calculated by taking the sum of the products of the number of units constructed or expected to be constructed in each Land Use Class multiplied by the percentage change in the Assigned Special Tax (pursuant to step 3.b. or 3.c. above) for each Land Use Class (or 0 for Land Use Classes that are not changing). This amount shall then be divided by the total number of units constructed or expected to be constructed within CFD No. 11 and converted to a percentage.
- If the Assigned Special Tax for any Land Use Class is revised pursuant to step 3.b. or 3.c. above, the CFD Administrator shall prepare and execute a Certificate of Reduction in Special Taxes substantially in the form of Exhibit A hereto and shall deliver such Certificate of Reduction in Special Taxes to CFD No. 11. The Certificate of Reduction in Special Taxes shall be completed for all Land Use Classes and shall set forth, as applicable, either (i) the reduced Assigned Special Tax for a Land Use Class as calculated pursuant to step 3.b. or 3.c. above, or (ii) the Assigned Special Tax as identified in Table 1 in Section C for a Land Use Class that was not revised as determined pursuant to step 3.a.; as well as either (i) the revised Backup Special Tax as calculated pursuant to step 4, or (ii) the Backup Special Tax as identified in Section C.1.(c) that was not revised as determined pursuant to step 4.
- If the first series of Bonds is issued within 90 days of the date of receipt of the Price Point Study by the CFD Administrator, CFD No. 11 shall execute the acknowledgement on such Certificate of Reduction in Special Taxes, dated as of the date of such issuance, and, upon the issuance of such first series of Bonds, the Assigned Special Tax for each Land Use Class and the Backup Special Tax shall, *ipso facto*, be, for all purposes, as set forth in such Certificate of Reduction in Special Taxes. If the first series of Bonds is not issued within 90 days of the date of receipt of the Price Point Study by the CFD Administrator, such Certificate of Reduction in Special Taxes shall not be acknowledged by CFD No. 11 and shall, as of such date, be void and of no further force and effect. In such case, if subsequently, a first series of Bonds is expected to be issued, at least 30 days prior to the expected issuance date of such first series of Bonds, the CFD Administrator shall cause a new Price Point Study to be delivered to the CFD Administrator and, following such delivery, steps 2 through 5 of this section shall be performed based on such new Price Point Study.
- As soon as practicable after the execution by CFD No. 11 of the acknowledgement on the Certificate of Reduction in Special Taxes, CFD No. 11 shall cause to be recorded in the records of the County Recorder an Amended Notice of Special Tax Lien for CFD No. 11 reflecting the Assigned Special Taxes and the Backup Special Tax set forth in such Certificate of Reduction in Special Taxes.
- If the Assigned Special Tax is not required to be changed for any Land Use Class based on the calculations performed under step 3 above, there shall be no reduction in the Maximum Special Tax, and no Certificate of Reduction in Special Taxes shall be required. However, the CFD Administrator shall prepare and deliver to CFD No. 11 a Certificate of No Reduction in Special Taxes substantially in the form of Exhibit B hereto dated as of the date of the issuance of the first series of Bonds that states that the calculations required pursuant to this Section J have been made and that no changes to the Maximum Special Tax are necessary.
- CFD No. 11 and the CFD Administrator shall take no further actions under this Section J upon the earlier to occur of the following: (i) the execution of the acknowledgement by CFD No. 11 on a Certificate of Reduction in Special Taxes pursuant to step 6; or (ii) the delivery by the CFD Administrator of a Certificate of No Reduction in Special Taxes pursuant to step 8.
