Sec. 10. **URGENCY CLAUSE.** The City Council finds and declares that this ordinance is required for the immediate protection of the public peace, health, and safety for the following reason: National, state, and local emergencies have already been declared in relation to the COVID-19 pandemic. City residents rely on the transportation provided by taxicabs for many essential needs, including grocery shopping and medical appointments. Due to the diversion of LADOT staff during the COVID-19 emergency, the Department has not been able to complete all of the steps necessary to implement a taxicab permit system by March 1, 2021. Therefore, in order to preserve the Department's ability to enforce current regulations, it is necessary to extend the franchise system for an additional six-month period to August 31, 2021. The City Council adopts this ordinance to become effective upon publication pursuant to Los Angeles City Charter Section 253.

Sec. 11. The City Clerk shall certify to the passage of this ordinance and have it published in accordance with Council policy, either in a daily newspaper circulated in the City of Los Angeles or by posting for ten days in three public places in the City of Los Angeles: one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall; one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall East; and one copy on the bulletin board located at the Temple Street entrance to the Los Angeles County Hall of Records.
