**Comments for Public Posting:** As a homeowner and resident of DISTRICT 13 for several years, I am STRONGLY IN FAVOR of using the vacant lot on Alvarado to provide housing support, including building a tiny home village there. As the pandemic has ravaged our neighbors without homes and temporary shelters have been setup individually all along echo park lake, a centralized "village" that provides services and support is desperately needed. I live very close to the site and am in TOTAL FAVOR of helping provide these services for those struggling.

**Comments for Public Posting:** Please negotiate and execute a lease with Kirby Properties c/o Reliable Properties, Inc., for the property located at 1455-1461 North Alvarado Street, in Council District 13, for use as an interim housing facility. We need more shelters/housing relief in our community!
