2. Findings

(a) General Conditional Use

(i) Provide a beneficial service. The Target store completed a remodel in 2017 that included an expansion of the market section. The market section now occupies the entire north end of the store and offers a full-range of grocery products, including fresh meats and produce, along with a variety of dry goods. The ability to purchase alcoholic beverages with other grocery items will offer customers a more complete shopping experience and will provide a convenience to Target's customers by eliminating the need for an additional shopping trip.

(ii) Compatible with adjacent properties and neighborhood. The Target store is located at the intersection of S. La Cienega Blvd. and Obama Blvd. – two major thoroughfares. The store is surrounded by commercial and retail uses to the north and west of the project site, and along La Cienega Blvd. and Obama Blvd. The proposed use is compatible with the adjacent properties and the surrounding neighborhood, and will not adversely affect or degrade the surrounding neighborhood.

(iii) Conforms with purpose and intent of General, Community and Specific Plans. The proposed use is consistent with the commercial zoning of the site and the Community Commercial General Plan land use designation, as well as the goals of the West Adams – Baldwin Hills – Leimert Community Plan to promote existing commercial activity.

(b) Additional Findings

(i) Approval will not adversely affect the welfare of the community. Target provides a broad range of everyday essentials to meet the needs of local residents. The addition of alcoholic beverage sales to Target's grocery offerings will not change the character of the existing retail use. The hours of operation, types of vehicular traffic, number of people involved (both as employees and as customers), outdoor activities and other operational aspects of the store will be unchanged. Alcoholic beverage sales will be a small component of Target's overall retail use. Target also has policies and protocols to ensure that alcohol sales are handled in a responsible matter and to deter crime, loitering and other undesirable activity. The incidental sale of alcoholic beverages, therefore, will not adversely affect the surrounding community.

(ii) No undue concentration of off-sale establishments. There is 1 off-sale license allocated for the census tract and 2 existing – a CVS Pharmacy located more than a mile away and a 7 Eleven convenience store selling beer and wine only – neither of which service the same needs as Target. Because Target will offer a wide variety of everyday essentials in one location, the use will provide a benefit and convenience to the community and thus will not create an undue concentration of licenses in an area designated for commercial uses. The site is not in a high crime area.

(iii) Approval will not detrimentally affect nearby residents. The residential areas to the east and south of the project site are separated from the Target store by the commercial and retail uses along S. La Cienega Blvd. and Obama Blvd. Furthermore, Target is a well-respected national retailer that understands and takes seriously the responsibilities that come with selling alcoholic beverages, and will conduct its operations with due regard for the well-being and quiet enjoyment of nearby residents.
