

## Communication from Public

**Name:** Andy (they/them)

**Date Submitted:** 02/24/2021 10:14 AM

**Council File No:** 20-0990

**Comments for Public Posting:** Item 12 on the Agenda - I am a trans nonbinary person living and working in silver lake. As a member of this community who gets misgendered multiple times a day, this training should be mandatory and we should be doing more on a city level for our trans community. Not because we are different but because we have always existed and it is a basic human right.
