**Comments for Public Posting:** Please cease all Jamison efforts on our historic neighborhood of Koreatown! WE NEED THE PARKING. WE NEED AFFORDABLE HOUSING. New luxury high rises sit half empty for years and years! Koreatown and our community does NOT need the disturbance, trash, and poor execution displayed by Jamison. CANCEL THIS BUILDING PLAN. Save our neighborhood and residents

**Comments for Public Posting:** I had previously submitted my comments without the file reference number. My thoughts on the proposed “Luxury Apartments” that are planned for our neighborhood are this: The businesses that are being replaced were businesses that sold a variety of delicious fresh cooked foods of all ethnic flavors, shoe repairs, key cutters, nail salons, and dry cleaners. What is proposed is a towering (like uninspired looking) building that will not only disrupt the peace in the neighborhood for years, kick up all manner of dust and dirt, it will ultimately block out the light from the neighboring buildings, and break the already strained (lack of) parking in the area. I can’t think of even one positive thing that this building would bring to the neighborhood. I wanted to register my displeasure for the record.
