

## Communication from Public

**Name:** Angie Brown

**Date Submitted:** 02/04/2021 09:38 AM

**Council File No:** 20-0894-S1

**Comments for Public Posting:** Can the PLUM committee address the large number of developments in the WCKNC area. I cannot find another area with as much construction. Please ask the Committee why we don't have green space and park for over 150k stakeholders?
