Dear Clerk of the PLUM Committee,

I have reviewed the Sustainable Communities Environmental Assessment that was prepared for the proposed Belmont Village project to be built next to Westwood Presbyterian Church. The report was very comprehensive and appears to have considered all possible environmental impacts. I urge you to support the project and approve the Sustainable Communities Environmental Assessment, as recommended by the Department of City Planning.

Holmby Westwood POA supports the Belmont Village project at six stories on the Westwood Presbyterian Church site.

Thank you,

Sandy Brown

Pres., Holmby Westwood Property Owners Association

V.P., Westwood Neighborhood Council

To Whom It May Concern:

I am writing to voice my support for the new Belmont Village senior care project at Westwood Presbyterian Church. My parents live at the existing Belmont Village in Westwood, so I have spent a lot of time visiting the Belmont, and have become very familiar with the building, the traffic in and out of the building, and the staff and residents of the Belmont. I think it is important for you to know that the Belmont community, as a presence in the neighborhood, is extraordinarily quiet, and has very minimal traffic. From the street, the Belmont looks no different from any other Wilshire building, though it is much smaller than most, and is all in all unobtrusive and low impact. It is also important to note that the Belmont is the premiere long term care facility in Los Angeles, has an extraordinary staff and has a clientele very much consistent with the Westwood community in which it resides. I believe that the proposed new Belmont on Wilshire would be a credit and benefit to the neighborhood and in many ways a use of the property superior to practically any other use of the property that the Church could make.

*Sincerely,**Jamie Mandelbaum*

Dear Madam or Sir:

As recommended by the Department of City Planning, please approve the Sustainable Communities Environmental Assessment for the Belmont Village senior care project at Westwood Presbyterian Church. They have done a comprehensive analysis of potential environmental impacts and it is clear that the project will not have a negative impact on the Wilshire Corridor or surrounding community. We need more projects like this that produce minimal new automobile traffic and other impacts.

Thank you.

Janet Bishop

Dear Ms. Wolcott:

I am writing to voice my support for the new Belmont Village senior care project at Westwood Presbyterian Church. The Church and Belmont Village have done a thorough job of studying the environmental impacts of the project, and I think the proposed project will be a great addition to Wilshire Boulevard.

Thank you very much.

Sincerely,

Kitty Sankey

Dear Mr. Keatinge and Mr. Skolnick,

As recommended by the Department of City Planning, please approve the Sustainable Communities Environmental Assessment for the Belmont Village senior care project at Westwood Presbyterian Church. As an elder on Session at Westwood Presbyterian Church, I have been kept abreast of the project and have seen the due diligence taken by the Church.

They have done a comprehensive analysis of potential environmental impacts and it is clear that the project will not have a negative impact on the Wilshire Corridor or surrounding community. We need more projects like this that produce minimal new automobile traffic and other impacts.

Warm Regards,
Rose Helm
Elder, Westwood Presbyterian Church

RE: Belmont Village-Westwood Project SCEA / Council File 20-1624

I am writing to voice my support for the new Belmont Village senior care project at Westwood Presbyterian Church. The Church and Belmont Village have done a thorough job of studying the environmental impacts of the project, and I think the proposed project will be a great addition to Wilshire Boulevard.

Sincerely,

John R. Sandbrook
