**Comments for Public Posting:** I am writing to plead on behalf of the International Institute. As a novelist, I have researched the history of this institute, and have no doubt that it is essential to the fabric of Los Angeles. We are a city made up of the entire world, and the institute both reflected and nourished that for decades. Please consider saving this amazing place so that its spirit can carry on as we all strive to make our city as inclusive as possible. Thank you.
