Comments for Public Posting: Dear Councilmember Blumenfeld, We would like to express our support for keeping the West Valley Animal Shelter open. There is no way the East Valley Shelter can humanely care for the additional influx of animals they will receive, should the West Valley Shelter become unavailable. The City would be negligent in its duty to provide services to all stray or lost animals. Please keep the West Valley Animal Shelter open! Thank you for hearing our thoughts on this important issue. Paul and Barbara Land
