Summary: The Canoga Park Neighborhood Council strongly supports the motion to require the Department of Animal Services to immediately prepare and report its long-term plan for handling approximately 24,000 animals in the West and East Valley and, more specifically, as the East Valley shelter would not be able to accommodate the full burden of impounded animals without serious effects that the closure of the West Valley shelter would cause, we strongly support that the West Valley shelter remain open with full services as a fully funded municipal shelter.
