Summary: The United Neighborhoods of the Historic Arlington Heights, West Adams and Jefferson Park Communities Neighborhood Council (UNNC) supports the motion asking the chief legislative analyst, "in concert" with the city attorney and the LAPD, to report on possible ways to more effectively limit the use of modified mufflers, especially in noise-sensitive areas. The motion asks for current regulations for modified mufflers be more heavily enforced, and asks the City Council to consider whether current local laws are sufficiently strong enough to address both public safety and quality of life issues that modified mufflers pose in L.A.'s neighborhoods.
